

Millions In Aid Certain If Drainage Pan Wins Urban Renewal Funds Are Available Through 'Yes' Vote On Oct. 2

Granite City can qualify for millions of dollars in urban renewal funds through passage of the pollution abatement drainage election on Tuesday, Oct. 2, it was emphasized today by David W. Morgan, executive director of the Granite City Housing Authority and chairman of the City Planning Commission.

"Aid of up to \$20,000,000 is not merely a possibility but a certainty," Morgan said. Displaying a mammoth file of reports and correspondence, he made it clear that the effort to obtain huge federal grants are in an active stage which can quickly be converted into approved projects.

"This will be a tremendous boost for Granite City," Morgan said, commenting that it is urging everyone he sees to vote "Yes" for the citizens' drainage program.

Throughfare, community facilities, public improvements, housing and many other projects covering a wide range can be planned and carried out at 100% federal expense.

Many types of improvements. In other communities, street paving, curbs, gutters, sidewalks, transportation and parking facilities, parks, recreation, housing rehabilitation and new housing developments are among the improvements which have been obtained, all at federal cost, he explained.

Federal laws provide \$2 for each \$1 of city programs, with the government providing all planning funds. When planning is financed locally the ratio for construction aid is \$3 of federal money to each \$1.

Since the drainage program totals \$10,000,000, he estimated that up to \$20,000,000 in federal funds can be allocated. "We may not need \$20,000,000 in Granite City, but it is certain that we could make that a sizeable part of that amount, and that we are eligible for it."

100% Federal Aid. "Since the drainage-pollution abatement program will qualify as our financial credits, the urban renewal program will involve 100% payment by the federal government with no local expenditures for approved projects," Morgan said.

Key to approval of urban renewal grants is an up-to-date sewerage map. While re-certification with the U. S. Housing and Home Finance Agency.

GC Housewives Performing Miracle

(Related story on page 10)

A tribute to the ability of Granite City housewives was made Monday night by a local industrial plant executive.

Speaking before the Democratic Precinct Committee-women's organization, John McBride, vice-president and manager of the local Union Starch & Refining Co., said Granite City housewives have been performing "miraculous miracles" in preventing the spread of disease and possibly epidemics.

"When raw sewage backs up into their basements during a rain, they lean right to work and clean up the mess. I can imagine the sale of disinfectants soars here after a heavy rain. We can end this threat of epidemics by approving the Citizens' drainage - pollution abatement program on Oct. 2."

Six More Groups Endorse Drainage Program For City

Six additional organizations with a total membership of several hundred Granite Cityans this week endorsed the city's \$10,000,000 drainage-pollution abatement program.

The latest endorsements are the Granite City Kiwanis Club, Cloverview Garden Club, Emerson School PTA, Quad-City Chapter of American Red Cross and Tri-City Chioprac Association.

At most of the meetings held this week, the groups sanctioned the Citizens' Committee resolution because of health factors involved.

Significant of the need for adequate drainage facilities was an inch of "smelly sewer backup water" on the basement floor at Sacred Heart church's school, 26th street and Washington avenue, early this week when the Holy Name Society heard a report on the program by Alderman Mrs. Gabrielle Bettine.

The school basement frequently floods during a rainstorm, and because kitchen facilities are located there, it is not unusual for the school until the debris can be cleaned away.

46 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Phyllis D. Sanders, 21, of 3228 Lake drive, told Granite City police the left front wheel fell off her auto at 7:30 p.m. Tuesday at 21st street and Edgewood road. Her auto sustained minor damage at the left front. No injuries were reported.

Thousands Attending 'Sesqui' Pageant

Local Officials Are Honored; Yates And Dirksen To Speak

(Pictures on pages 3, 8, 9)

Three days remain for Madison county's festive Sesquicentennial celebration at the old Keitts River plant near Edwardsville.

Attendance for the historic pageant has averaged 1000 to 1500 each evening since the presentation began Monday night.

The 90-minute spectacular features a cast of nearly 500 persons. It is highlighted with the introduction of the Queen and her court of princesses, including Miss Bernadette Acquaviva of Granite City and presentation of the colors by the Venice-Madison American Legion Post 307 guard and drill team.

Each program, which starts at 8 p.m., it concluded with a fireworks display.

Quad-Cityans swarmed the festival grounds Tuesday evening, which was devoted to recognizing this area. Representing the local communities were Granite City Township Supervisor Nelson Hagauer, Madison Mayor Maerz, Venice Mayor Lee, Napoleon Township Supervisor Harry Briggs, Chouteau Supervisor Joseph Troeckler and the officials.

Preceding the introduction of the officials at the opening of the pageant, the Madison Star Dusters square dance group performed on a stage along the 28th St. parade.

Nightly Through Saturday. The program is to continue nightly through Saturday and the Sesquicentennial parade is scheduled for 1 p.m. through downtown Edwardsville. A number of local organizations have entered floats in the parade.

Soloists from the Granite City Army Depot are reports for Queen Angie Viviano of Collinsville and the princesses. They are Sgt. Robert Fuller, 574th Co., Pfc. Josefa Incastaldi and William Fairchild of the 28th Co., Pfc. John Zaruba.

Talks To Resume On Teachers' Contract

Delegation Fails To Get Immediate Action On Working Agreement

Negotiations between Granite City school administrators and a teachers' committee are to be resumed next Monday. The session was scheduled after a delegation of 30 unionists sought immediate approval of a working agreement from the school board Tuesday night.

Negotiation, grievance, arbitration and other procedures were outlined in the teachers' proposed agreement, which was taken under study by the board. While the district and American Federation of Teachers Local 743 are still apart on salary requests and offer, talk of finances is being put aside pending a settlement on terms of the working agreement.

As presented, the proposal would require direct negotiations by the board or a committee of four or more of its members.

With the board maintaining its support of the administrative staff as negotiators, the delegation of teachers and their guests departed Tuesday night.

Members of the group said they arranged the visit in the belief that the school district had broken off talks on terms of a 1962-63 agreement on salaries and working conditions. President Robert Spangler said the board favors the principle of working agreement and added that the teachers' union district, had wanted to halt talks for the summer. The district has been ready to negotiate with the resumption of classes, he said.

Included in the delegation were President Carl Meigel of the National AFT organization, State Representatives Ralph Smith of Alton and Otis Miller of Belleville, Mayor Leonard Davis, Aldermen Paul Rutledge and Donald Partney, state AFT officers and representatives of the Granite City Trades and Labor Council.

Mrs. Helen Berkman, Local 743 salary and policy committee chairman, served as spokesman. She opened the discussion by welcoming the teachers.

Edwin Reiske, labor council president, said the local asked council executive board members to attend and urge re-opening of negotiations. He described it as a "sad situation when a local can't get together and bargain with its employer."

Spangler stressed that Supt. Harold M. Kaiser has made himself available to negotiate at any time. While the board appreciates the visitors' interest, the visit was unnecessary, the president noted. Board

(Continued on page 3, col. 1)

10 Days To File Tax Complaints

Granite Cityans have 10 days from today to file objections to property assessments. The assessment list appears elsewhere in this issue.

To register a complaint, a property owner is required to go to the Board of Review. The forms to be filed are in the office of the Board of Review at the courthouse.

Today's publication of 1962 assessments for next year's tax collection are subject to change by the Board of Review. The members will conduct hearings here at a future date. To appear before the board, a property owner must have filed an objection.

Today's publication is mostly personal property valuations. However, real estate assessments are listed if there has been a change in the property since the 1961 valuation. The board will make improvements, such as an addition to a home. Revaluation of real estate property is not a carry-over from next year by all townships assessors in the county.

Granite City's new assessed valuations, as set by the assessor, amounts to \$151,901,670, up \$269,390 from last year. The board is subject to revision by the Board of Review, and to be added to it is the valuation of railroad property assessed by the state department of finance.

Red Cross Board Supports City Drainage Plan

Endorsement of the Granite City drainage-pollution bond issue election Oct. 2 was voted Tuesday afternoon by the board of directors of the Tri-City Chapter, American Red Cross. The board was addressed at its monthly meeting by B. C. "Tip" O'Neill and Mrs. Gabrielle Bellemore. They emphasized the public health aspects of the special election, which is intended to halt sewage pollution and street flooding, and pointed out that up to \$20,000,000 in federal urban renewal funds will be available to Granite City if sewage treatment is handled by the city rather than an out-of-town agency.

John Solenberg, United Fund executive secretary, demonstrated a U-F drive presentation utilizing photographic slides and a recorded commentary. The scenes showed services performed by local welfare agencies supported by United Fund contributions.

Plans were made for Chairman Floyd Mitchell and other chapter representatives to attend a state Red Cross meeting in Decatur Nov. 10.

Mrs. Ruby Overbeck, executive secretary, said the Red Cross has openings for assistant field directors, who must be men between the ages of 23 and 45, willing to travel, with education equivalent to a college degree and experience in welfare or personnel work. Inquiries may be directed to the local Red Cross office.

An August home service report showed financial aid of \$678 and 113 contacts, including 29 Army Depot personnel. Mrs. Overbeck listed seven emergency leaves and leave extensions, four health-welfare reports, one social history, financial assistance, 45 counseling cases, two assists with government benefits, 20 other services, involving correspondence, 22 reports and eight information reports.

Fire Fighters' Ball Set For October 13

A dance committee consisting of firemen Don Parente, Earl Fronberger and Ralph Gelant are making plans for the annual fire fighters' ball. It is sponsored by men of Granite City fire department. Tickets now are on sale at \$1 per person for the event which will be held starting at 9 p. m. Saturday, Oct. 13, at the American Legion Dugout, 740 Broadway, Venice.

The ticket committee consists of Bill Seago and William Peterson. Dancing will go on until 1 a. m. to the music of an orchestra. The ball will be night club style. Refreshments will be available.

There will be a floor show with Bobby Kelly as mistress of ceremonies and Joe Schermer billed as "Mr. Banjo."

The ball is open to the public. Proceeds will go to the Granite City Fire Fighters Relief and Welfare Plan.

Street Crews Trim Trees; Oil, Chat Alloys

Tree trimming and removal, along with sidewalk work in the 2300 block of Delmar avenue and on Edwards and Hall streets are among the projects being carried out this week by Granite City street department crews. Sup. of Streets William Warfield reported 30 blocks of alleys have been oiled and rocked to complete this year's program in that field. In addition, the city crews have been asphalt patching holes in streets, operating the street sweeper, painting school crosswalks and grading and rocking Franklin avenue. Another crew is continuing the work of sewer and manhole cleaning.

Carries Blackjack, Fined

Thomas Marshall Ward, 29, of St. Louis was fined \$50 and costs Monday by Police Magistrate Gasparovic for unlawful use of a weapon. He was arrested in Granite City Sunday with a blackjack in his possession.

Select Name For Infant

Christine Ann was the name given by Mr. and Mrs. Gus Encomomy, 1827 Spruce street, to their first child, a daughter, born Aug. 14 at Christian Welfare Hospital in East St. Louis. The infant weighed seven pounds, two ounces.

Talks To Resume

(Continued from Page 1.)

members had assembled early for a closed discussion prior to the public meeting.

Mrs. Bjorkman cited "a little dilemma in our communications with the board" and said, "We are a little confused about being able to come in and talk with the board," resulting in the decision to bring along "friends" to support the request for adoption of a working agreement.

Board Members Visited

She recalled discussions of the agreement last spring and said it has been revised in line with suggestions by School Attorney Maurice Daley. Before reading it, she said the agreement had been explained in visits to each board member by the committee.

Attorney E. G. Maag of East St. Louis, counsel for the teachers, said the proposed agreement is legal and is similar to agreements in effect in Illinois school districts since 1942.

Paul Woods, state APT executive secretary, said 14 Illinois locals have such working agreements, which he said have worked well. He urged adoption Tuesday night.

Megel noted that he had been in Albuquerque, N. M., Saturday night and Boston, Mass., Monday night. He said, "Teachers are just beginning to understand what it means to organize under this kind of agreement. Other types of unions have had working agreements for 50 years."

"With the success in New York, this movement is spreading across America and will be a tremendous benefit to teachers. I think the board of education will find this up to a set of rules which will bring a better relationship between the teachers, board and administrators. The agreement is fundamental and has extremely liberal provisions. It is only a first step."

"Such an agreement in Butte and Anacosta, Mont., has worked out wonderfully well. Minneapolis has a similar grievance procedure. Great progress can be made with this type of agreement."

Reports 86% Membership

"As national president, I'd like to tell you that the Granite City Federation of Teachers has paid per capita dues on 86% of your teaching staff."

Megel said the proposed agreement would provide a legal base for future negotiations and said it would result in increased respect for the superintendent and board.

Kenneth Langer, state executive council member and a representative of grade school teachers in Belleville, said Belleville has had a similar working agreement for many years. Mrs. Bjorkman said the agreement can bring about more harmony in the Granite City school system.

Commenting on the proposed grievance procedure, Spengler said, "There have been only two grievances during the four years I have been on the board and one of them resulted from the board trying to do something more than was required by the contract."

He said that many APT goals once outlined by Megel in a talk here have been enjoyed by Granite City teachers for many years. Saying he has been a union member over 25 years, the board president voiced support of working agreements.

Asked by Mrs. Bjorkman when Dr. Kaiser could meet with the committee, Spengler said, "Tomorrow."

The federation's desire to be heard Tuesday night was reported to Dr. Kaiser in a letter from Mrs. Bjorkman dated Sept. 7.

Last negotiations took place June 7. In the first week of June, both parties submitted new proposals, the school district increasing its total offer to about \$170,000 over the next

two years and the local paring its suggested one-year salary schedule increase to \$66 monthly per teacher. The 1962-63 budget, adopted by the board in August, was criticized by Mrs. Bjorkman as providing inadequate funds for teachers' pay.

Proposed Agreement

Text of the working agreement proposed by the federation follows:

"This agreement, made and entered into at Granite City, Ill., by and between the Board of Education, Community Unit School District No. 9, Granite City, Ill., hereinafter referred to as 'board,' and the American Federation of Teachers Local 743, Granite City, Ill., hereinafter referred to as 'union,'

Article 1. It is the intent and purpose of the parties hereto, by entering into this agreement, to promote and improve the relations between the board and the school district teachers, and to expedite and facilitate the attaining of the worthy objectives of the school district.

Article 2. The board and the union agree that the union is the bargaining representative for all its members and is the sole and exclusive bargaining agency for the purpose of bargaining in respect to the rates of pay, wages, hours of employment and all other conditions pertaining to employment and working conditions.

Article 3. It is agreed that the board, or a bargaining subcommittee thereof, composed of not less than four members thereof, and the union, shall sit down at the bargaining table and shall negotiate concerning the matters embodied here.

Article 4. It is agreed that the board, before making new policy decisions concerning wages and working conditions of the teaching staff, shall consult with the union and obtain their advice and opinions concerning the proposed change, and shall give such advice and opinions due consideration before making a final determination on the proposed change.

Article 5. No teacher shall, in any way, be discriminated against or in any way adversely treated or affected for being a member of the union.

Article 6. The board and the union shall enter into immediate negotiations for the purpose of arriving at a pay scale for the 1962-63 school year.

Article 7. When the determinations pursuant to Article 6 have been reached, the board shall be reduced to writing and appended to this agreement so as to become a part hereof.

Article 8. This agreement shall be in effect for the school year 1962-63. The board and the union shall meet and attempt to negotiate a new working agreement for the school year 1963-64 between April 1, 1963, and June 1, 1963.

Arbitration Procedure

"If an agreement is not reached by June 1, 1963, then all negotiations shall be terminated as of June 1, 1963. Thereafter, the dispute shall be submitted to a board of arbitration composed of three members. One member of said board is to be selected by the school board. The second member of said board to be selected by the union, and the third arbitrator shall be selected by the first two.

"The dispute shall then be submitted to said board of arbitration and decision by said board shall consist of a recommendation as to a desirable solution, which said recommendation shall be submitted to the board of education at the next regular board meeting.

"The school board and union shall share the expenses of arbitration.

Article 9. Upon obtaining the written approval of the individual union members, the board shall check off and collect from each teacher, all dues and assessments of the union and pay the same to the union, and the union shall furnish a statement of the amount to be so deducted from the pay of each of its members.

hands and head and received chest x-rays. He was transferred to Barnes Hospital, St. Louis.

Police said Bridgewater was injured less seriously. He was taken by a passing motorist to a garage-qualified coffee hour from 7:30 to 8:30 tonight in the school cafeteria.

The September Marshall PTA meeting at 7:30 p.m. next Monday will include a social hour and introduction of faculty members.

Marshall Kindergarten Parents Meet Tonight

The Marshall grade school PTA is inviting all Marshall kindergarten parents and teachers to a get-acquainted coffee hour from 7:30 to 8:30 tonight in the school cafeteria.

Begins Nurse Training

Three Granite City men were enrolled in a three-year nursing program for freshmen at the Barnes Hospital school of nursing, St. Louis.

Injured After Blowout

Three Granite City men were injured slightly Tuesday evening when a tire blew out on an auto driven by William Vaughn, 31, of 2906 Idaho street, and he lost control and ran off the road. The accident occurred on Route 35 about a mile east of Route 111.

Vaughn and two passengers in the auto, Harold Vaughn, 19, of 1108 Kirkpatrick Homes, and Donald Vaughn, 31, of 2001 Manley avenue, were treated at St. Elizabeth Hospital. William had skull and left shoulder x-rays; Harold had right shoulder x-rays and was treated for a laceration to the left hand, and Donald had rib x-rays.

Mother, Daughter Hurt

Mrs. Doris M. Lassen, 25, of 2155a Benton street, and her one-year-old daughter, Judith, were injured in a collision with a concrete mixer truck driven by Dale L. Miller, 25, of 14 Bradley avenue, who was going north on Delmar Monday afternoon.

Mrs. Lassen and her daughter were treated by their family doctor for abrasions and bruises. Mrs. Beverly Seebold, 19, of 2632 Adams street, and Miss Betty Lowe, 20, of 1112 Greenwood street, Madison, were treated at St. Elizabeth Hospital at 11 p.m. yesterday for injuries received when they fell from a motorcycle.

Mrs. Seebold complained of pain in the left shoulder, had x-rays and a shoulder strap applied. Miss Lowe received an injury to her left wrist and had x-rays. Both women were released after treatment.

Tred at St. Elizabeth Hospital for injuries sustained in an auto accident Monday evening were Lennie Goston, 67, of East St. Louis, and Hattie Caldwell, 57, of Lovejoy. Both were transferred to St. Mary's Hospital, East St. Louis.

Goston complained of pain behind his left ear and back of his head, while the woman complained of pain in her back. Details of the accident were not available.

Name Corrected

Jimmie Peppers, 16, of 725 Twenty-seventh place, should have been the name listed Monday instead of James Peppers as one of four youths charged with the break-in Labor Day of Red's tavern, 5200 Maryland road.

one building representative appointed by the union. A member of the teaching staff having an alleged grievance shall submit five copies of his grievance in writing, to his building representative.

"One copy of the grievance shall be furnished to the principal of the school involved, and the building representative and the principal shall take immediate steps to attempt to settle the grievance.

Port Board Endorses Bi-State's Expansion

Members of the Tri-City Regional Port Authority voted Monday night to endorse the expansion of the Granite City Harbor on the Chain of Rocks canal by the Missouri-Illinois Bi-State Development Agency. Port Manager John Barron said notices of the authority's action was sent to all proper agencies.

The Port Authority directors are continuing with plans for rail connections and development of loading and unloading facilities at the north end of the mile-long canal harbor.

Attends Funeral Of Sister
Dr. Harry Epstein returned Tuesday by plane from Montreal, Can., where he was called by the illness and death of his sister, Miss Bernice Epstein.

24 Grand Jury Indictments Suppressed For Arraignment

The recalled May term circuit court grand jury returned 24 indictments Tuesday at Edwardsville. All were suppressed until this afternoon when the defendants are to appear for arraignment starting at 1:30.

Several cases of local origin were reported to be among those heard by the jurors. Two no-trial bills were returned in connection with recent killing in the Alton and Edwardsville areas.

Hearing Date Set
A hearing was set for Sept. 26 for Michael Fields, 21, of 2510 Nameoki road, when he entered a plea of not guilty Monday to a charge of creating a disturbance. Cash bail of \$16 was continued by Police Magistrate Gasparovic.

Participation Invited

Area PTA Session Tonight On GC School Finances

A second session on "School Finance" will be held this evening by the Granite City Area Council of PTA. The meeting will start at 7:30 p.m. in the board of education office, 2014 State street. Dr. Harold M. Kaiser, school superintendent, will lead the discussion.

Tonight's meeting will be a followup from last week's session, it was explained by Mrs. Mary Jesse, legislation chairman for the Area PTA. She said participants will be given an opportunity to ask specific questions dealing with last week's meeting.

Last week, at the first session, Dr. Kaiser presented an outline of the school district's budget.

for the new year. He also presented details on transportation costs and problems. Income derived from the state and uncertainty of federal aid.

Schools represented at the initial meeting were Coolidge, Central, Frohardt, Lake, Maryville, Mitchell, Marshall, McKinley, Niedringhaus, Stallings, Webster, Wilson and the senior high school.

"Since school finance is a problem for the consideration of the whole community and not confined to PTAs, the Area Council is urging any and all interested persons to join the discussions and learn what is necessary for the support of our local school system," Mrs. Jesse said.

Unique Gift Shop At New Location

The Unique Gift Shop, owned and operated by Mrs. Thelma "Tippy" Gibson of 2316 Cleveland blvd., will be open tomorrow at a new location in the Bellefonte Village Arcade.

Next year will mark the 15th anniversary of the shop, which carries a general line of unusual gift items including jewelry, brass and copper items, wood carvings and party supplies. It was formerly at 2100 Cleveland blvd. A grand opening is planned next month.

Driver Posts License

An arrest ticket was issued at 4:50 p.m. Tuesday at 17th street and Grand avenue, to Ernest Dickinson, 2440 Madison avenue, for failure to yield the right-of-way. He posted his driver's license at bail.

Veterans' Children May Qualify For Aid

Certain provisions of the Veterans' Children Educational Opportunities Act provide \$150 for each school year for children of certain deceased veterans. Joseph D. Wetton, secretary of the local Illinois Veterans' Commission office at city hall, said today.

The benefits are available to qualified applicants between the ages of 10 and 18. Mr. Wetton added that the federal government also provides educational benefits under the War Orphan Educational Assistance Act amounting to \$110 monthly to children of certain deceased veterans between the ages of 18 and 23, either for college or vocational training.

Parents or guardians who have their children or wards are

eligible for assistance under either provision may contact Mr. Wetton at his office Monday through Friday from 8:30 a.m. to 5 p.m.

Brothers Charged After Brawl In GC Tavern

Police Magistrate Gasparovic set \$32 cash bail each for William A. Pulley, 35, of 2433 East 23rd street, and Harvey Pulley, 38, of 2019 Washington avenue, after they were arrested Tuesday afternoon for fighting and creating a disturbance.

A hearing was set Saturday for William and Tuesday for Harvey. They were involved in a fight at 2:15 p.m. Tuesday at the Home of the Blues tavern, 1538 East 20th street. Harvey was treated for injuries at St. Elizabeth Hospital. The men are brothers.

Body Of Suicide Victim Found At Horseshoe Lake

The body of Ilar Lee Hale, 28, of Granite City, was found Tuesday afternoon on the perimeter dirt road at Horseshoe Lake near Lakeside airport.

He was an apparent suicide victim. A suicide note and the bill of sale for a new 22 caliber rifle were found at the scene. The note was written to his mother, Mrs. Minnie Hale of Union City, Tenn.

The Madison County sheriff's office said he indicated in the note that he was "tired of living, sorry, but it had to be."

The rifle with which he killed himself had been purchased earlier the same day. It was equipped with a telescopic sight.

Hale lived at 2041 Washington avenue. He had been a resident of Granite City for about two years and was employed at the Chevrolet plant in St. Louis.

The tragedy occurred about 3 p.m. and the body was discovered by a child at play. Deputy Sheriff Tony Petrillo of Granite City investigated. There will be an inquest.

The remains were sent to Union City for burial. Further information will be found elsewhere in this issue.

MORE ABOUT

Millions In Aid

(Continued from Page 1.)

ency will be necessary, the program has been kept up-to-date and there has been frequent contact with federal officials, including as late as last week Morgan reported.

The city's building code, comprehensive plan and zoning ordinance, while not a direct part of the urban renewal program, will be taken into consideration by the federal government in reviewing the city's fund requests, he added.

Granite City not only has a master plan, prepared by Harlan Bartholomew and Associates, St. Louis, city planners but also has conferred with City Planning Associates, Inc., of Milwaukee, Ind., and other urban renewal consultants.

Manitowish Regular Contact Agencies with which the city and the Granite City Housing Authority maintain regular communication include the Public Housing Administration, Housing and Home Finance Agency, Federal Housing Administration, and State of Illinois Board of Economic Development.

"The city council already has adopted ordinances for various phases of the city's comprehensive plan, and further study is being made on other parts of the plan. There is no question but that with the ordinances already adopted, plus any future steps taken in connection with the urban renewal program, Granite City will have a good 'workable program,'" Morgan said.

"Specific progress in developing urban renewal plans has been reported to federal authorities in respect to codes and ordinances, community planning."

neighborhood analyses, administrative organizations, financing, housing and citizen participation."

HALE, ILAR LEE, 28, Washington avenue. Entered into rest Tuesday, Sept. 11, 1962. Dear son of Mrs. Minnie Hale, dear brother of Mrs. Inez Wynn, Mrs. Hazel Allen; Mrs. Dorothy Gammons, Mrs. Edwina Harris, Miss Isabel Hale and Wade Hale.

Citizens' Role, Sewer Savings Are Explained

Direct savings with an adequate job done are offered to local residents by the Citizens' Committee's pollution abatement-Madison Rotarians were told yesterday as "scuba" diving - self-contained underwater breathing apparatus - was discussed by Al J. Mueller Jr., general manager of the Press-Record.

Explaining the equipment and techniques, the speaker said scuba diving has become a comparatively safe hobby despite the fact that man is not able to live underwater without artificial breathing and pressure aids. He told of several points in Illinois and Missouri where diving skills can be learned and put into use.

The last unexplored frontier to the individual, he said, holds many mysteries which not only pose a challenge as a sport but also a means to the betterment of life. Mueller said, adding that diving can be done by people of all ages and physical condition. Even non-swimmers are capable of performing diving skills, he added.

He was introduced by William Winter, program chairman. Fred Schmidt and Leo Schermer reported on advance planning for the Rotary International convention in St. Louis June 9-13, 1963.

It was brought out that with investment of interest from the payments by users during the period before new facilities are in operation, savings can be achieved and the rates and duration of fees can be reduced in the future.

Increasing Dependence On Ocean Is Predicted

With the population growth and use of natural resources, the world's food supply will depend on the sea for its food and health, Madison Rotarians were told yesterday as "scuba" diving - self-contained underwater breathing apparatus - was discussed by Al J. Mueller Jr., general manager of the Press-Record.

Explaining the equipment and techniques, the speaker said scuba diving has become a comparatively safe hobby despite the fact that man is not able to live underwater without artificial breathing and pressure aids. He told of several points in Illinois and Missouri where diving skills can be learned and put into use.

The last unexplored frontier to the individual, he said, holds many mysteries which not only pose a challenge as a sport but also a means to the betterment of life. Mueller said, adding that diving can be done by people of all ages and physical condition. Even non-swimmers are capable of performing diving skills, he added.

Tie Playoff Tonight

I-C Eliminations Begin On Sunday; Mercer, Hearts Among Contenders

Sacred Heart will travel to Maryville Sunday to meet the Red Sox in the first round of the Southwest Illinois Inter-City Baseball League post-season playoffs, while Mercer is engaging either McAteer Glass or East St. Louis or Carpenter at Wilson Park in another playoff game.

The Mercermen must wait until the outcome of a tie-breaker contest tonight before learning who their Sunday opponents will be.

Carpenter and the Glassmen will meet at 8 o'clock tonight in Collinsville to break a third-place deadlock in the Blue division standings. The winner will come to Wilson Park Sunday to play Mercer.

In case tonight's contest is rained out, the two clubs will try again Saturday evening at the same location. If rain again forces a postponement, the Glassmen will automatically get the third-place spot.

That decision was reached by a flip of the coin at Tuesday night's I-C meeting in Collinsville. Carpenter will be home team at tonight's neutral diamond meeting with McAteer.

Red and Blue division champions Moose Lodge of East St. Louis and Pocahontas will take the weekend off while the second-place teams play each other.

MHS Cross-Country Candidates Report; 1st Meet Is Tuesday

Madison high school will begin its fall cross-country season next Tuesday afternoon at Edwardsville, running against the host Tigers and Lincoln of East St. Louis. Coach Earl McClanahan said today.

The Trojans have four other meets on an incomplete schedule, including home dates with Waterloo on Oct. 8 and Roxana on Oct. 18, but the final schedule of events will not be completed until a meeting of Midwestern conference coaches in Highland, set for next Tuesday evening.

Twenty-three cross-country candidates reported to McClanahan for initial workouts. The Midwestern conference meet has been set for Oct. 23.

SEPTEMBER BRIDE: Mrs. James Gushleff, whose wedding took place Saturday at St. Elizabeth Catholic Church. A daughter of Mr. and Mrs. Clifton Blankenship, 2308 Clark avenue, she is the former Theresa Ann Blankenship.

Madison Junior Service Club Has Wiener Roast

Monthly meetings of the Junior Service Club of Madison were resumed Tuesday evening with a wiener roast held at Wilson Park.

Hostesses for the month were Mrs. Doris Paterson, Mrs. Loreta Hyla, Mrs. Evelyn Blattner and Miss Jeanette Trantje.

Plans were discussed for a bake sale to be held Sept. 23 in the church basement, with Mrs. Barbara Hadley as chairman. A donation is to be made for books for the Madison public library as needed, up to a specified amount each year.

A social time was held at the conclusion of the reading of letters and business topics, with games being played and prizes awarded to Mrs. Adrienne Wachol, Mrs. Voloski, Mrs. Kathryn Jones and Mrs. Ruth Fanning.

Other members taking part in the meeting were Mrs. Billie Bosworth, Mrs. Helen Franch, Mrs. Janet Lentz, Mrs. Alberta Mikolaszuk, Mrs. Marcelle Obranovich, Mrs. Julie Pearce, Mrs. Marie Miller, Mrs. Mary Stanfill, Mrs. Marilyn Schaffner, Mrs. Lillian Delpis and Mrs. Ellen Huelshaus.

A Halloween theme will be used at the October meeting, which will be held in the home of Mrs. Walter Miller. The members are to be dressed appropriately for the occasion.

REBEKAH'S WILL HONOR NOBLE AND VICE GRANDS September 24 is the date set by Ann Rutledge Rebekah Lodge 47 for a noble grand and a vice grand party.

A meeting Monday evening at the IOOF hall on Namekoi road was presided over by Mrs. Jennie Lee Barney and hostesses were Mrs. Joyce Bailey and Mrs. Anna Huenkan.

GO TO CHURCH SUNDAY

Parents, Friends Plan Events At St. Mark's

The September meeting of St. Mark's Parents and Friends Association was held Tuesday evening with the president, Mrs. Roberta Mueller, in charge. During the business session, committees were appointed for the year.

Plans were discussed for a bake sale to be held Sept. 23 in the church basement, with Mrs. Barbara Hadley as chairman. A donation is to be made for books for the Madison public library as needed, up to a specified amount each year.

A discussion was held on a spaghetti supper to be held Oct. 21, and Mrs. Mary Dixon will be the chairman. Sister Mary Bernard introduced a new sister for this year, Sister Mary Vincent.

A social hour followed the business meeting. Refreshments were served to 26 members by the hostesses, Mrs. Muller, Mrs. Lucille Kalergeron, Mrs. Margaret Lee, Mrs. Louise Riedelberger and Mrs. Yvonne Kittel.

Phi Beta Tau Chapter Meets Phi Beta Tau chapter of Beta Sigma Phi sorority held the first regular meeting of the fall last night at the home of Judy Mullenbeck.

The program for the evening was "Romance of Perfume" given by Nancy Robins. The remainder of the time was spent discussing plans for the year.

Also present were Janet Bogdan, Sue Cook, Dianne Sellers, Gloria Mundy, Barbara Fromberger, Mary Ann Harris, Gloria Biernicki, Mary Alice Christian, Ruth Justice, Carol Kootoff, Ann McMurray, Judy Rollins, Linda Todd, Ellen Winters and Marilyn Wondra.

TRY A CLASSIFIED AD

MRS. DALE MAXVILLE, a bride of Saturday. She is the former Sandra McDaid, a daughter of Mr. and Mrs. Robert McDaid, 1515 Fifth street, Madison. Her wedding took place at First Methodist Church in Madison.

New Season Begins For Mothers Club

Another of the organizations resuming activities following a summer recess was the Sacred Heart Mothers Club which met last night in the church basement.

Mrs. Marge Salitch, president, opened the meeting with prayer, and Miss Rebecca Gore spoke to the group on her work with retarded children. She displayed slides to give impetus to her talk.

New members were introduced and prizes were won by Mrs. Virginia Wiczarowski and Mrs. Josephine Gibson.

Plans were made for the fall and winter, including a rummage sale Oct. 6, a tea for the Sisters at the school and the Fall Festival. Approximately 30 were present.

LEGION AUXILIARY 113 PLANS FALL EVENTS Plans for the winter were made last night at a meeting of the American Legion Auxiliary, Unit 113. Mildred Rees presiding.

The remainder of the evening was spent at games and prizes were won by Mrs. Alma Klaus, Mrs. Rose Wright, Mrs. Abbie Fox, Mrs. Ella McKinnick, Mrs. Dorothy McCain, Mrs. Doris Ross, Mrs. Lumeta Durbin, Mrs. Dollie Brewer and Mrs. Freda Blattner.

Hostesses were Mrs. Loretta Mock, Mrs. Rose Wright and Mrs. Freda Blattner, a new member. Refreshments were served to 25 members.

MOOSE WOMEN SEE FILM ON BOWLING "The Women of the Moose, Chapter 247, held a 'publicity night' program in connection with a meeting last night. Mrs. Marge Neufeld, publicity chairman, was in charge and a film on bowling was shown by Sam Lucido Jr.

Several candidates were enrolled, including Mrs. Emily Watkins, Mrs. Frances Aldridge and Mrs. Olie Derr. Prizes were presented.

GUESTS AT MUNSTERMAN HOME Mr. and Mrs. Adam Munsterman, 3831 Namekoi road, have been entertaining in their home this week Mrs. Munsterman's niece and her husband, Mr. and Mrs. Frank Fischer of Peoria, and Mrs. Paul Barker of Streator, Ill.

Mrs. David Bergfield and Mrs. Elizabeth Kelly represented the local St. Elizabeth Hospital. Mrs. Kelly is district publicity chairman and Mrs. Argelan is a past president of the local Auxiliary.

District IHA Meeting Here

A meeting of the governing board of District Nine, Women's Hospital Auxiliaries of the Illinois Hospital Association, was held Tuesday at the Rose Bowl Luncheon was served at noon.

Plans were formulated for a fall meeting Oct. 2 in the Jubilee Room of the Dutch Girl restaurant in Belleville with the Auxiliary of St. Elizabeth's Hospital in Belleville as hostess.

Nine Auxiliaries were represented at the meeting by Mrs. Claude Starnes and Mrs. Edw. Willis of Christian Welfare in East St. Louis; Mrs. Jack Robinson, Centerville Township Hospital; Mrs. C. L. Hunt and Mrs. Ellen Menne, Wood River Township Hospital; Mrs. Herbert Hempel, Mrs. Joseph Neufeld, Belleville Memorial Hospital; Mrs. Fred Belz, Mrs. Ruby Hahn and Mrs. A. MONTHLY MEETING OF PRESBYTERIAN WOMEN

The Nameoki Presbyterian United Women's Association met Monday night at the Nameoki Presbyterian Church with Mrs. Alta Stewart, president, opening the meeting with a hymn. Devotions were led by Mrs. Fern Simpson, followed by a special musical duet by Mrs. Marge Donovan and Mrs. Sherry Beck, assisted on the organ by Mrs. Violet Jeffers.

Mrs. Edith Simpson, chairman of the dedication service, gave a report on members of the church who are ill, and announced the Afternoon Guild will have its next meeting at her home, 2636 Benton street, Sept. 27. Also, the Evening Guild will hold its next meeting with Mrs. Janice Carr at her home, 1347 Coppergate road, St. Louis, on Sept. 25.

Announcement was made that the Fall Presbyterial will be held in Collinsville on Oct. 1. World service chairman, Mrs. Louise Anderson, reported that the July and August cancer bandages have been turned in and that on Sept. 19 the association will meet at Mrs. Emma Tuckers home, 2109 Richmond avenue, to prepare more bandages. Mrs. Anderson announced that the dedication service for mission giving has sent rolled bandages to Vellore, India, and that a letter was sent to the Frenchburg, Ky., hospital.

Mrs. Louise Thompson informed the group that Rev. Love, formerly from India, will give the sermons at both services on Sept. 23. Mrs. Thompson showed the group a painting which had been presented to the church by Dr. and Mrs. Grieg of French Cameroon, Africa. The painting, an African scene, was painted by a native of Africa.

The program for the evening, "Purpose of the Pinner," was given by Mrs. Bea Fyles, followed by a prayer.

Refreshments were served to the above and Mesdames Lena and Joan Kaseberg, Violet Monahan, Ann Freeling, Erna Tomlinson, Edith Arbogast, Betty Flynn, Fern Mitchell Janice Carr, Lou Fyles and three guests. Mrs. Edith Ellen Westerbeck, Marge Donovan and Sherry Beck.

METHODIST WOMEN STUDY MISSIONS

The Women's Society of Christian Service of Nameoki Methodist Church met Monday night in the recreation hall at the church. The meeting was opened with devotions and group singing led by Mrs. Pat Baumberger, with all members participating. The program for the evening, "Missions in the Modern World," was given by Miss Margaret Groshong and she was assisted by Mesdames Ruth Pharo, Jan Kohl and Vivian Glucka.

Mrs. Groshong, president, conducted the business meeting and the following announcements: Mrs. Jan Kohl will be the new chairman of the Lydia day circle and will hold the meeting on the fourth Thursday of each month, Rev. Federico Pagura, who is from Argentina, will be guest speaker at revival services which the church will conduct Sept. 23 through Sept. 30.

Mrs. Betty Weston closed the meeting with prayer, after which refreshments were served by Mrs. Bailey and Mrs. Ruth Hancock to the following members: Miss Reba Jo Gunter and Mesdames Fay Bess, Ann Haley, Katherine, Mildred Naney, Ena Potter, Lucille Russell, Betty Milbree and four guests, Miss Joan Bess, Bruce and David Baumberger and Mrs. Marlene Horner.

The next meeting will be Oct. 1 at the Nameoki Methodist Church.

BOARD MEETS ON NEXT NAMEOKI PTA MEETING

The board of directors of the Nameoki school PTA met Tuesday night at the Nameoki School with Joe Hasler, president, in charge of the meeting. The main topics for discussion were the budget and projects for the coming year. Announcement was made that the regular PTA meeting will be held on Tuesday, Sept. 18, at the school, at which time there will be a five-minute talk on the sewer bond issue, followed by a question-and-answer period.

Others present were: Walter Volkmar, Ed Lurton, Fred Rehagen, Roy Schubert, Charles Hileman, Ron Coleman, Don Kopp, Mesdames Evelyn Cross, Wilma McQuinn, Dessa Severine, Betty Focurka, Irene Dawes, Yvonne Hoff, Mary Herman, Eva Sheppard, Juanita Dulgeroff, Ileana Brinmeyer, Nola Hill, Mabel Gertsch, Mary Sykes, Rose Young, Beverly Foote, Ida Phillips and Sue Champion.

CANASTA CLUB HOLDS SEPTEMBER MEETING

Mrs. Ada Snipes was hostess to her canasta club Tuesday night in her home on 2589 Spalding avenue.

Mrs. Snipes was awarded first prize for highest score, second prize going to Mrs. Ike Lipscomb and third prize to Mrs. Laferne Malzynski.

The hostess served a late dessert course after the games to the prize winners and Mesdames Joyce Keith, Marie Monroe and three new members, Carol Beasley, Mary Cannon and Laura Papp.

Mrs. Snipes used fall colors for her table decorations, with a centerpiece of cut fall flowers. Mrs. Marie Monroe invited the club to meet in her home, 3105 Kirkpatrick Homes, for the next meeting.

PROHARDT PTA BOARD PLANS FOR MEETING

The board of directors of the Prohardt PTA held its first meeting Tuesday night at the school. Mrs. Edith McGee, president, conducted the meeting, with all committee chairmen present.

Discussion was held on the budget and projects for the coming year. Programs for each meeting were completed. Mrs. McGee announced that officers for the new year will be John Gagich, vice-president, Mrs. Alice Worthen, secretary, and Francis Herman, treasurer. The regular PTA meeting will be held Sept. 18 at Prohardt school.

ONLY \$89 OVER COST FOR NEW DODGE FARRINGTON MOTORS, 1911 MADISON.

ATTENDS WEDDING

Mrs. Carl Miller, 26 Riviera drive, and her daughter, Sandra and Renee, attended the wedding of Reda Glendon Wallace in Clarksville, Tenn., during the weekend. Miss Wallace is the daughter of Mr. and Mrs. Ike Wallace, former residents of Granite City. She married Philip Lyle Blake, Lieutenant in the U. S. Army, a recent graduate from West Point.

The military wedding took place in the Central Chapel at Fort Campbell, Ky., the reception being held at the Officers' Rendezvous Room immediately following the ceremony. Miss Renee Miller was a flower girl in the wedding and Miss Sandra Miller assisted at the reception.

Den mothers and committeemen of Cub Pack 22, sponsored by Prohardt school PTA, met Tuesday night at the home of Mr. and Mrs. Alex Tarpoff. Plans were made for the pack meeting Sept. 25 to be held at Prohardt school at 7:30 p.m. Other fall plans were discussed. Those present were Mrs. Tarpoff; submaster Harry Hillman; Harry Tongay, neighborhood commissioner; Jack Thornesberry; Mrs. Wirschnick

Roca Club Elects New Officers For The Year

The Roca Young Men's club elected its officers for the coming year Tuesday and set plans for voting on the Roca Sweetheart.

The newly-elected officers are Robert King, president; William Hayes, external vice-president; William Neipert, internal vice-president; Harold Love, treasurer; John Love, secretary; John Odel, sergeant-at-arms; and Dan King, pledge-master.

Rick Reutebuch, sweetheart chairman, said the members will vote on a sweetheart next Tuesday. The candidates are Lynn Sheppard, Sharon Stroyoff, Nancy Sell, Denny Hillen, Maggie Harlan and Claire Steinhauer. Earl Parsons remains as head advisor to the club.

W. H. Driemeier Dies; Former Local Resident

Word has been received by friends here of the death Aug. 27 at Fortia, Ark., of Walter Henry Driemeier, 68, a former Granite City and Madison resident. Death was attributed to a self-inflicted gunshot wound.

Driemeier, at one time a street car conductor here, moved from Madison to Arkansas in 1961. Survivors include his wife, Hestor, two sons, William of Pittsburgh, Pa., and Louie of St. Louis; a daughter, Mrs. Verma Parrish of St. Louis; a step-son, a step-daughter, a brother, three sisters and six grandchildren.

Funeral services and interment were at Fortia.

Orientation Meeting Set For 700 New SIU Students

Student orientation for the 700 new students expected to enroll at the Edwardsville campus of Southern Illinois University this month will be held Friday and Saturday, Sept. 21-22.

Dr. Howard V. Davis, director of student affairs for the nearby campus, said Friday's activities will begin at 9 a.m. on the lawn of the vice-president's office near Edwardsville.

Buses transporting students to the orientation site will leave the East St. Louis and Alton centers at 8 a.m. In case of bad weather, all events will take place at East St. Louis.

SIU President Delyte W. Morris and Clarence Stephens, vice-president in charge of the Edwardsville campus, will welcome new students.

Student leaders will have charge of a portion of the day's activities, Davis said.

Prospective students will hear talks by faculty members on what they can expect of the university and what it will expect from them. A picnic lunch will be provided by the university.

Following an afternoon of talks and discussion sessions, those who wish will be transported to Rock Spring Park at Alton for a buffet supper and social activities. Buses will leave the park at 8:30 p.m. to return to the centers.

An earlier bus will leave the Edwardsville campus for East St. Louis at 3:30 p.m.

Saturday events, conducted at both centers, will consist of counseling, advising and information sessions.

PROGRESSIVE CLASS HOLDS BIRTHDAY DINNER

The Progressive class of Second Baptist Church met Monday at the home of Mrs. Mae Williams, 3033 Washington avenue, with Mrs. Robert Richardson presiding. July through September birthdays were recognized at the covered dish dinner.

Cards with cash gifts were presented to the honorees, Mrs. Williams, Mrs. Richardson, Mrs. Louise Daniels, Mrs. Maude Beedle and Mrs. Iva Biggs.

Others present were: Mesdames Naomi Roney, Winnie Tucker, Mayne Valley, Dena Watson, Edith Wilson, Othello Vane, Crystal McMillin, Elizabeth Darnell and Mabel Mercer and three guests, Mesdames Elsie Sturdivant, Minnie Cavins and Golda Smith. Mrs. Wilson will entertain for the October meeting.

MRS. PATTON HOSTESS TO BIRTHDAY CLUB

The Birthday club met Monday at the home of Mrs. Imogene Patton to celebrate her birthday. A covered dish dinner was served.

Games were played, with prizes awarded. Present were Mesdames Geneva Lindner, Dolie Roth, Rosemary Lindner, Alberta Raab, Nedra Wills, Mae Ebling, Phama Donohue, Lola Tucker, Lola Mae Petras, Jo Ann McGovern, Mrs. Harrison, Edna Daigler, Betty Ursey and Wilma Manogian.

The honoree received cards with cash gifts.

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church for an inspiring airplane trip to Guatemala, Central America.

Mrs. Betty Lewis, leader, led the group in prayer and then told the story of "Janet Rossie."

A six-year-old girl from Tecpan, Guatemala. Picture posters of Indians of Guatemala were made, and each one was served a sack lunch. On display in the room was a large hand-made airplane which was used in teaching the story.

Plans were made for a state missions prayer program next Tuesday. Others present were Lana Lupardus, Danny Bugg, Sandra Winblash, Shannon Mar-

MISSIONARY MEETING

The September meeting of the Women's Missionary Society of the Good Shepherd Evangelical United Brethren Church was held Tuesday in the church sanctuary. The president, Mrs. Mary Layton, opened the meeting with

prayer. The program, entitled "Design for Peace," was led by Mrs. Waneta Talley.

Refreshments were served to the above and Mesdames Sandy Jones, Evelyn Hoenicke, Sue Hurt, Erma Bryan, Josephine Matthews, Christine Hurt, Jean Thompson and Virginia Rainwater. The next meeting will be held in the home of Mrs. Rainwater.

TRAINING, OTHER GIRL SCOUT EVENTS

The September meeting of Girl Scout leaders of Neighborhood Four was held Monday evening at St. John Lutheran Church. St. Clair and Dale avenues.

The meeting was opened by Mrs. Doris Votaw, neighborhood chairman, and the leaders recited the Girl Scout Promise. Sept. 18 was announced as the first day of a basic training course to be held at St. Peter Evangelical and Reformed Church.

Mrs. Archie Beaty volunteered as committee representative for the Festival of Giving to be held Dec. 2. It was announced there will be a "fun day" at Camp Lakota for sixth and seventh grade scouts Sept. 22. Mrs. Votaw will accept reservations until Sept. 14.

MRS. RICHIE WED IN DOWNERS GROVE

Mrs. Gladys Potillo and daughter, Mrs. Shirley Lane, and her children, Kathleen and Brad, returned Sunday from Downers Grove, Ill., where they visited at the home of Mrs. Potillo's uncle and aunt, Mr. and Mrs. Jay Richie, and attended the wedding of the Richies' daughter, Miss Phyllis Richie, to Terry Dudas at the Congregational Church.

The reception was held at the bride's parents' home. The Richies are former residents of Granite City.

RETURN FROM CALIFORNIA

Mrs. and Mrs. Charles R. Turner, 4061 Breckenridge lane, have just returned from a five-week visit with their sons and daughters-in-law, Mr. and Mrs. Charles Turner Jr. and Mr. and Mrs. Don Turner of San Francisco, Calif. While away, they also visited other cities in California.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Max Schrieber, 2109 Missouri avenue, are the parents of a six-pound, five-ounce son, David Lynn, born Tuesday at Park Lane Hospital, St. Louis. A twin son, Kenneth Lee, was stillborn Monday. The Schriebers are parents of eight children.

Independent Engineer Firm Says Citizen Drainage Plan 'Best For GC'

Fact-finding by an independent firm of consulting engineers has convinced officials of Union Starch & Refining Co. that the Citizens' Committee pollution abatement-drainage program is the best for Granite City.

Union Starch, vice-president of the firm and local plant manager, presented that information Monday evening to members of the Democratic-Predict Committee's organization. The meeting was the Rose Bowl restaurant.

Union Starch will pay the largest sewer fee to the city when the city treatment plant and drainage facilities are built, McBride said. "That will be \$88,000 a year, or nearly a million dollars in 10 years—enough to build treatment facilities for our plant."

In addition, Union Starch will have to spend about \$150,000 within the local plant to revamp internal sewer lines and install new storm water drainage facilities.

"Actually," McBride said, "We should be opposed to this program. Think of me, when you get your \$3.25 monthly bill," he told the 15 committee members. "I'll be getting one for thousands of dollars. But we use eight to 10 million gallons of water a day."

Convinced of the need for the \$10,000,000 pollution abatement-drainage program for the progress and growth of the community, officials of Union Starch & Refining Co., which has headquarters in Columbus, Ind., are urging support of the revenue bond issue, McBride said.

All-Out Support

"We're going to ask each and every one of our 600 employees to support the program," McBride added.

McBride, who was aided in his fact presentation by Alderman

Orville Hodge, said that the Citizens' Committee plan would be a backward step for Granite City. "It wouldn't hurt Union Starch, for we could still get the employees we need to operate our plant here. But it would hurt Granite City."

"You have one of the finest school systems in the state here. But if Granite City's population started to drop and the city was going backward instead of progressing forward, you'd start losing your teachers, your doctors and other professional people and businesses."

Progress Attracts People

"With the new university on our doorstep, Granite City has prospects for tremendous progress. But persons want to move to a progressive town. If Granite City starts to go backward, those persons who would be moving here will locate in Columbus and Edwardsville."

"Granite City will be great only if it goes forward."

"And I might say here that Granite City is put above Union Starch & Refining Co. by the company officials."

"Granite City has everything industry needs with the exception of sewage treatment facilities. That is one thing industrial representatives look for when they plan to locate a new plant."

McBride urged the Democratic predict committee members to support the program. "Unless this program has the support of the citizenry, it can be defeated. Then someone else will build the facilities and the cost to each individual will be unknown and subject to change without notice. The cost would be much greater."

City Ownership Preferred

Both McBride and Mrs. Betts stressed the advantages of a city-owned and operated sewage treatment plant over a larger plant built, owned and operated by the East Side Levee & Sanitary District.

"They pointed out the levee district plan calls for a \$3,000,000 treatment plant which would process storm water as well as sanitary sewage."

"My firm paid \$5000 to the engineering firm to determine that the plan devised by the Citizens Committee would be the best job for Granite City."

In closing his talk, McBride said it has been an "absolute miracle" that Granite City has not been plagued by epidemics.

"With sewage backing up into basements and onto streets, it's a tribute to the housewives' quick action and ability in cleaning away the sewage and preventing an epidemic," McBride said.

Nation Wide Comparison

"However, our own engineers and the consulting engineers have studied the Citizens' plan. They compared it with other systems throughout the country. And, they decided it would be the best for Granite City."

Hodge's petition will be filed with the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

A hearing on the petition has been set for Oct. 9, with Hodge's attorneys expected to stress his failing health. He has been in the prison hospital four times since entering the prison Aug. 20, 1956. Prison sources say he has been under constant medication.

Earlier petitions stated Hodge has been a model prisoner. They asserted that the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

Auto Damages Gas Pump

Marilyn Williams, Jr., of 909 Washington avenue, was charged with operating a motor vehicle without a driver's license. The auto she was driving knocked over a gasoline pump at 12:55 a.m. at the Clark service station, 20th street and Madison avenue. A small fire resulted which was extinguished by Granite City firemen from the main station. Damage to the pump was estimated at \$100.

'GO Party' Set Oct. 18

For County Republicans

C. Luther Rudder, Granite City Republican chairman, participated Tuesday in a planning session for the "GO Party" to be staged for Madison county Oct. 18 at Wood River high school auditorium.

Twelve outgoing members of the Tri-Cities Chamber of Commerce board of directors attended their final meeting Tuesday at the Rose Bowl restaurant. Their three-year terms of office are being made for the C. O. C. will be replaced Oct. 1 by newly-elected directors.

Orville Hodge To File New Clemency Appeal

Special From Springfield

Orville Hodge, former state auditor now serving a 12-15 year sentence at Menard prison for theft of over \$1½-million from the state treasury, will file a new petition for executive clemency, it was announced yesterday.

Hodge's petition will be filed with the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

A hearing on the petition has been set for Oct. 9, with Hodge's attorneys expected to stress his failing health. He has been in the prison hospital four times since entering the prison Aug. 20, 1956. Prison sources say he has been under constant medication.

Earlier petitions stated Hodge has been a model prisoner. They asserted that the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

C. Of C. Board Previews Area Industrial Brochure

Twelve outgoing members of the Tri-Cities Chamber of Commerce board of directors attended their final meeting Tuesday at the Rose Bowl restaurant. Their three-year terms of office are being made for the C. O. C. will be replaced Oct. 1 by newly-elected directors.

President Paul H. Lichtenberger expressed his appreciation for their service to the organization and the community and commended them for their work.

The outgoing directors are Arthur F. Buente, Jon L. Dreier, Jack Friedman, Homer Huber, Dr. Harold M. Kaiser, Harold F. Karandjoff, Dr. John E. Lee, Vernon E. Lich, the Rev. Calvin Marcum, Anthony E. Michel, John L. Sedlack and Sidney R. Womack. Lichtenberger's three-year term on the board also is expiring, but, as president, he is required by the by-laws to serve an additional year as immediate past president.

Ballot Counting Today

The election of nine new directors takes place today with ballots being counted 5 p.m. at the C. of C. offices.

Lichtenberger appointed an auditing committee to go over the financial records for the fiscal year which ends Sept. 30. The chairman is Robert E. Backs. He will be assisted by Albert H. Froemling and Fred Williams.

He announced that the nominating committee must meet prior to the next monthly meeting in order to prepare a slate of candidates for C. of C. offices. The next meeting is Oct. 2.

Reports were made by various standing committees.

Earlier petitions stated Hodge has been a model prisoner. They asserted that the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

A hearing on the petition has been set for Oct. 9, with Hodge's attorneys expected to stress his failing health. He has been in the prison hospital four times since entering the prison Aug. 20, 1956. Prison sources say he has been under constant medication.

Earlier petitions stated Hodge has been a model prisoner. They asserted that the state pardon and parole board by the first of the week, according to attorney Randall Robertson of Granite City. The appeal will be his third. The first two were denied.

ADDRESSING VOLUNTEER WORKERS, Mrs. Gabrielle Betts, right, explains advantages of the pollution abatement-drainage bond issue which will be presented to Granite City voters Oct. 2. Also speaking at the meeting of women volunteer workers Monday at the YMCA were Engineer Edward Juneau, left, and G. W. Hoelscher, center, chairman of the Citizens' Committee.

MOORE ABOUT Thousands Attending
(Continued from Page 1.)

of the 18th C., and Ples Edward Wandenburg and Roy Theriot of the 58th Group.

The 90-minute program opens with the local color guard headed by John Genterman, drill sergeant. The program features speakers, real estate signs, film trailers, envelope stuffers, speakers' bureau press and radio publicity and telephone campaigns in the precincts.

The program chairman N. R. Brink reported that final plans are being made for the C. O. C. annual meeting to be held Tuesday, Oct. 23, at the Madison-Vincennes American Legion Duquesne.

Howard W. Kaseberg, chairman of the Agriculture committee, reported on the preparations for the annual meeting. The 17th annual Business-Industry-Agriculture dinner set for Wednesday, Oct. 24, at the United Church of Christ.

E. G. Schmitt, chairman of the Planning and Zoning committee, and member of the Madison County Planning commission, reported on the rezoning of unincorporated areas of the county must be presented to the board at six more townships public hearings before it is submitted to the county board for approval.

Harlan Dohy, C. of C. secretary, reported on the meeting of the Madison-East Chamber of Commerce association meeting he attended Monday at East Alton. The meeting is held every other month.

The meeting covers Madison and St. Clair counties.

Araswide Problems

Dohy said there was discussion of such araswide problems as the water pollution, an industrial development brochure, an area manpower survey and the Southwestern Illinois Study commission.

President Lichtenberger announced that details and reservation for the 44th annual meeting of the Illinois State Chamber of Commerce will be held at the local C. of C. office. The meeting will be Oct. 4-5 in Chicago.

The brochure is a looseleaf multilith publication that can easily be kept up to date.

The brochure is a looseleaf multilith publication that can easily be kept up to date.

Two new membership applications were submitted by Chester L. Baker, vice-president for the executive committee. The applications were approved.

A. Widman of Schiff's Store, secured by Walter M. Rozycki, and Wade B. Baker, contractor, secured by Vincent J. Bischoff.

G. W. Hoelscher, chairman of the Master Sewerage and Drainage committee, reported on the actions of the Citizens' committee.

11 Quad-Cityans File Bankruptcy Petitions

Bankruptcy petitions are on file at Springfield for 11 Quad-Cityans, it was announced today at the Associated Retailers office.

They were filed for Doris Mae Brown, 812 Jackson street; David Lee Darden, 84 Lee Wright Homes, Venice; Van Tilman Causey, 1717 Edison avenue; Arvin Burns Downing, 2819 Enzer street; Howard Graham, 19474 Delmar avenue; Ruby M. Hartline, 2057 East 27th street; Jerry Lamont Hogue, 1754 Grand avenue; John Thomas Long, 2826 Hodges avenue; and Eugene McCormick, 2228 Grand avenue, all of Granite City, and Prinita Darden Jr., 102 Harrison street, and Bethalto, Cottage Hills, and Meadowbrook.

343 Register For Night Classes

A one-day record of 190 registrations Monday has risen to 343 as registration continued for the fall term. Night school classes at Granite City high school. The term will begin next week.

Bellevue and beginner sewing, lace making, and an extra class group, have been closed and the welding registration is almost full.

Other classes remain open to new applicants, and M. A. Wittnebeck, vocational and adult education director, called special attention today to the advanced typing and advanced stenography classes. "These two classes, which are not offered every year, can still accommodate more students," he said.

Registration will continue next week until the various classes are filled, he reported. Daytime hours at GCHS Room 147 are 8:30 a.m. to 4:30 p.m. tomorrow and on Monday through Friday of next week. Evening registration will take place between 6 and 8 p.m. on Monday through Thursday in Room 142.

Natural Food Festival At Highland Saturday

The annual fall festival, a state meeting of Natural Food Associates, will be held from 10 a.m. to 4:30 p.m. Saturday at St. Paul's hall, Highland.

State president Arthur Heiler, of Fremont will be chairman of the meeting. There will be four speakers on the program.

Walter Sprague of Highland, a state director, said a noon meal will be served and there will be a country store for the sale of health foods.

The meeting is open to any interested persons.

FREDMAN BROS. Furniture
NIEDRINGHAUS AND DELMAR AVE. GRANITE CITY, ILL. 62401

MRS. ROBERT G. WAGNER, the former Phyllis Anne Skinner, daughter of Mrs. William Skinner, 1929 Pontoon road, and the late Mr. Skinner, who was married Aug. 25 at Immaculate Conception Catholic Church in Colton, Calif. Attending from Granite City was the bride's mother, her sisters, Misses Ellen Ruth and Mary Martha Skinner, a brother, Todd, and her aunt, Mrs. Elmo Ryan. The former was a member of the wedding party.

MRS. LUCIAN W. DRESSSEL, a recent bride. Before her marriage Saturday at First United Presbyterian Church she was Miss Eva Bruen, a daughter of Mr. and Mrs. George Fisher, 2714 Nameoki road.

MR. AND MRS. GORDON D. MADDOX, who were married Saturday evening at Mt. Zion General Baptist Church. The bride is the former Janet Rose Ferguson, a daughter of Mrs. Marjorie Ferguson of Old Alton road.

SOCIETY

Greeters Club Tours Smith Plant

The Tri-City Greeters Club met Tuesday evening at A. O. Smith Corp. plant and after a conducted tour gathered in one of the conference rooms for a question and answer period with the guide who explained the work of the various departments of the plant.

Mrs. Hazel Brink, president, announced a party to be held in the Circus Lounge of the Big Top Bowl Oct. 6, tickets for which were distributed among the members.

Mrs. Betty Wood was appointed chairman for a pot luck supper in the Big Top 300 room at the next meeting.

Twenty-five members attended the meeting and the following guests were present: Madames Rudy Shipley, Doris Foley, Frankie Tatro, Mary Hemphill, Grace Upton, Mary Barnhart, Mary Hayes and Willadean Craig.

Junior Maecenas Plan Supper

Plans for a fall pot luck supper Sept. 26 at the YMCA were made Tuesday evening by the Junior Maecenas Society at a meeting in the home of Mrs. Mary Lee Linton, on Venice avenue, and one new member was welcomed. The latter was Mrs. Pat Kanovsky.

A bake sale was held in connection with the meeting attended by Mesdames Betty Bickhaus, Mary Brackett, Dorothy Brewer, Nadine Brunlieve, Catherine DeWitt, Rose Flannery, Jean Kelsch, Jean Knox, Dolores Mammel, Doris Pekarik, Vera Sage, Pat Shanta Shirley Thompson, Helen Toncoff, Dolores Yates and Kanovsky.

VISITING SISTER

Mrs. Nathan Brown of Dallas, Tex., is here for a visit with her brother-in-law and sister, Dr. and Mrs. Harry Epstein, 2862 Iowa street, while enroute to her home from a tour of Europe.

WCSA Discusses World Missions

"Missions in The Modern World" was the topic of the lesson Tuesday evening at a meeting of the Women's Society of Christian Service held in Wesley Hall of Niedringhaus Memorial Methodist Church. It was given by Mesdames Helen Simpkins, Marie Horn, Pauline Cox, Nannie Meadows, Mabel Hulsey and Miss Cleo Uim, all members of the Miriam Circle.

Mrs. Elizabeth Briggs, vice-president, was in charge and announcement was made of a school of missions to be held each Sunday during October at 7:30 p.m.

Plans also were made for a sub-district seminar at the church Wednesday, Sept. 26, from 9:30 a.m. until 2:30 p.m. and refreshments were served by the Ruth Circle. Mrs. Betty Williams, leader. Approximately 40 members were present.

It is not possible to find a lasting power upon injustice, perjury, and treachery. —Demosthenes

Three Special Guests At Eagles Auxiliary Meeting

Three distinguished guests attended a meeting of the Eagles Auxiliary Tuesday evening. They were Mrs. Edna Wolfbrandt of Collinsville, state conductor; Mrs. Jewel Bradley, of Marion, a past state president; and Mrs. Idis Spore of Chicago, a past state secretary.

The meeting was presided over by Mrs. Florida Batson. The out-of-town guests were conducted to the altar by the escort team and presented with gifts from the organization and the president.

Mrs. Bradley, who was observing her birthday, was honored by the group with short talks, and all sang "happy birthday." The charter was draped in memory of Mrs. Lizzie Pufalt, a past president, and the lights were dimmed as the ceremony was conducted by the escorts with lighted candles, and the officers who formed a procession to the altar. Appropriate music was played softly by the pianist, Mrs. Ruby Sparks.

Announcement was made of a meeting of District Eight to be held Sept. 30 at 2 p.m. in Wood River. Appointed to assist with a fish fry Sept. 14 were Mrs. Margie Hall, Mrs. Theresa Daiger and Mrs. Vera Horn. The meal will be served from five until eight o'clock. Mrs. Juanita Blevins will serve as chairman of a rummage sale planned for a later date, and Miss Sylvia Roy and Mrs. Margie Hall will act as co-chairmen of the pillow case party Oct. 7. Mrs. Mary Brominski and Mrs. Kathryn Clark, wives and means chairmen, announced a silent auction as a project for Oct. 9 at the Auxiliary anniversary party.

Refreshments were served after the meeting, and there were games with Mrs. Mae Amlich receiving two special prizes. The next meeting will be held Sept. 25.

The out-of-town guests while here were entertained at the home of Mrs. Frances Steinman of Madison avenue, another past state president.

Cloverview Club Endorses City Drainage Program

The Cloverview Garden Club met Tuesday afternoon in the home of Mrs. John Lentz, 3133 Fehling road.

A dessert luncheon was served and Mrs. B. C. O'Neil presided over the meeting, which opened with the club collect read by Mrs. John Wilson. The members responded to roll call with names of lakes and streams in Illinois.

Announcement was made of the semi-annual meeting of District Five, Garden Clubs of Illinois, to be held Sept. 27 at First Presbyterian Church, 6900 State street, East St. Louis. Each of the fifteen clubs in the district will give a report of activities during the past six months, and in each is asked to bring a table arrangement to be judged. A noon luncheon will be served and the program in the afternoon will be on "dried arrangements."

Mrs. Wilson, finance chairman, announced a rummage sale for Friday, Oct. 26, at the IOOF Hall, and the club is planning a Christmas flower show for Dec. 1 at the Big Top Bowl. The title will be "Tis The Season". Mrs. Leo Roman will be chairman of the show.

Horticulture exhibits were arranged by Mrs. B. J. Lisac and Mrs. O'Neil. Other specimens were brought by Mrs. John Jenkins and Mrs. Russell West who presented a program on "Azure Spirea". The facets of conservation and water problems was the topic of a comprehensive study by Mrs. Raymond Williamson.

The speaker of the afternoon was G. W. Hoelscher, chairman of the Citizens Committee on Drainage and Pollution abatement, who explained the \$10-

000,000 bond issue. The club voted to endorse the program. One new member was welcomed by the club. She was Mrs. Roger Fritz.

Also attending were Mesdames A. L. Ackerman, George Knapp, Robert McCauley, William Oden and a guest, Mrs. Arthur Koepfer. The next meeting will be with Mrs. Williamson at 2450 Lynch avenue.

Shower Honors Miss Hendricks

Miss Marcella Hendricks, who will be married next month to Leo Lindsay, was guest of honor this week at a miscellaneous shower given at the R.P. hall by her mother, Mrs. Thelma Hendricks, and her fiancé's mother, Mrs. Caroline Lindsay.

The afternoon was spent at games and a number of prizes were awarded. A special award went to Mrs. Agnes Lindsay.

Others present were: Misses Linda Hendricks, Jane Schoolfield, Rebecca Clore, Holly

Gangluff and Mesdames Edith Hendricks, Janet White, Myrtle Pascoe, Alma Rice, Linda Coffman, Brenda Dusek, Betty Cook, Frances Schoolfield, Georgia Miller, Betty Colligan, Irene Sullivan, Karen Mackin, Kathy Bledson, Wilma Schoolfield, Barbara Smith and daughter Carol, Anna Rhoades and Virginia Adams.

Refreshments were served by the hostesses after the games.

State Capitol NEWS

Retail stores and the grocery industry of Illinois have been congratulated by Ralph S. Bradley, director of the Illinois Department of Agriculture, for corrective measures they have taken to insure exact weights in pre-packed meats.

According to Bradley a check of 80 retail stores throughout Illinois three weeks ago revealed that out of the total only two were found to be in violation of the law. A check of 60 stores last week uncovered only one store which was selling short weight packages.

Checks by the Agriculture Department's Division of Standards during May and June revealed that around 90 per cent of all stores checked were found to be selling short weight pre-packed meats.

"As I knew they would," Bradley said, "most of the grocery and meat industry has cooperated fully in correcting certain practices which were costing Illinois consumers about \$250,000 a day."

Traffic deaths in Illinois during August totaled 162, a decrease of six deaths or 4 per cent, from the same month last year. W. J. Paves Jr., director of the Illinois Department of Public Works and Buildings, has announced.

Paves said that the number of traffic deaths in Illinois for the first eight months of this year now stands at 1119, a reduction of two per cent from the 1146 for the same period a year ago.

A new attraction for next year's Illinois State Fair will be a top level fashion show of the Christian Dior type.

The possibility of having a garden show also was discussed by state fair board members during their first meeting since the close of this year's fair.

Water supply conditions for Illinois at the beginning of September are about normal despite low rainfall and show no cause for alarm. William C. Ackermann, chief of the Illinois State Water Survey, reported.

Although rain was generally deficient throughout Illinois in August, levels of the water table and water supply lakes show only normal seasonal declines, he said.

Adoption no longer is confined to childless married persons, according to statistics released by Dr. Franklin D. Yoder, director of the Illinois Department of Public Health.

Of the total of 6367 new birth records prepared for adopted children during the fiscal year ending June 30, more than a third went into homes where there were other children.

The U. S. Weather Bureau 30-day outlook for September in Illinois is for near normal temperatures over most of the state, but below normal in the extreme northwest and above normal in the extreme southeast.

Precipitation is expected to average three and a half inches or more north of a line from St. Louis to Chicago and from two to four inches south of this line.

Illinois State Police trooper Joseph Kluson of Poplar Grove will be presented the Certificate of Merit of the American Red Cross for his actions in saving the life of motorist Charles J. Alsop of Belvidere last January.

Kluson, while on routine patrol on Illinois 5 on Jan. 14, rescued and revived the critically injured Alsop, after Alsop's car skidded off the highway near Cherry Valley.

The presentation of the award will be made by Maj. John Stupper of the Illinois State Police on Friday, Sept. 14, at sub-post No. 1 headquarters at Pequotia. Kluson will receive the eighth such award made to an Illinois state policeman in the last three years.

A total of 1,062,000 turkeys of all breeds is expected to be raised in Illinois during 1962, according to a report from the Illinois Cooperative Crop Reporting Service. This is 21 per cent less than the 1,346,000 raised last year.

Plans were made to attend a "fun day" Sept. 22 at Camp Lakota for sixth and seventh graders. The meeting place and time were discussed and plans were outlined for the fall.

Present were Reba Hancock, Linda Lipe, Pamela Westbrook, Sandra Joyce, Debbie Barnes, Berdy Bailey, Sharon Joyce, Pat Bloodworth, Evelyn Greene, Paula Walton, Kathy Murrefield, Carol Clemens, Carol Skaggs and Mrs. Norma Walton.

Elected To

Episcopal Vestry

Robert J. Miller was elected to the Vestry of St. Bartholomew's Episcopal Church at a Vestry meeting last night. He will fill the unexpired term of Walter Harris, who resigned during the summer.

Miller, son of Mr. and Mrs. Robert F. Miller of Belleville, is a 14-year-old, basketball coach, and science teacher at Prather junior high school. He began teaching here in 1956. After serving in the U.S. Army from 1956 to 1958, he returned to Granite City to continue teaching. He is married to the former Jean Marie Fuller of Falls Church, Va. They have one son.

In other action, the Vestry designated November as Church Loyalty Month, and set Nov. 11 as Thanksgiving day for a partial

BARHAM-GIVINS

WEDDING AT NEW HAVEN

Miss Janet Givins and Phil Barham, son of Mr. and Mrs. Paul Barham of Madison, were united in marriage Sunday afternoon. The bride is a daughter of Mr. and Mrs. L. E. Givins of New Haven, Ill.

Rev. Henry Davis performed the ceremony in the Givins home. Miss Carolyn Hopper served as maid of honor, while Leonard Thompson was best man.

The bride chose to wear a white sheath dress trimmed in gold, with accessories of gold and white. Miss Hopper was attired in a yellow sheath featuring white accessories.

White carnation corsages were worn during the ceremony and reception.

Mrs. Givins chose for her daughter's wedding a dress of silk print of orange and white, with white accessories. Mrs. Barham was a nylon navy over orange floral dress using beige accessories. Each wore a corsage of carnations.

A reception was held immediately after the ceremony for members of the families in the Givins home. The groom is an employee of the Granite City Steel Co. and the bride is an employee of the Union National Bank in East St. Louis. They will reside at 2015 Skeen street, Madison.

REBEKAH INITIATION
Mrs. Effie Cleveland was initiated into Delray Rebekah Lodge 785 Tuesday evening at the Odd Fellows hall in Madison.

Mrs. Thelma McClanahan was reinstated and Mrs. Edith Morgan was accepted as a transfer member. Mrs. Ruby Wood, degree captain, was in charge of the initiation.

Plans were made for a ham and bean supper Sept. 22 from 11 a.m. to 2 p.m. and 4 to 7 p.m. Mrs. Virginia Gail, noble grand, presided. Refreshments were served to 36 members and six guests.

"Guest night" and a quarterly birthday observance will take place at the next meeting.

HOSTESS TO CLUB
Mrs. Mary Elta Wanbaugh was hostess to the Twilight Pinocchio club Monday evening.

Dinner was served by the hostesses prior to the game period. Mrs. Lucille Broyles, Mrs. Col. Dorogosh, Mrs. Bunny O'Connell, and Mrs. Pauline Holman were winners of the games.

played. Prizes were awarded accordingly.

Others taking part were Mrs. Sandra Bray, Mrs. Marie Miller, Mrs. Bernice Townsend and the hostess. Mrs. Bray will entertain the group in her home in Belleville Oct. 8.

VISIT IN MILWAUKEE
Mr. and Mrs. Ed Chibbe, 506 Alton avenue, and Mr. and Mrs. Jimmy Padorano, 2820 Forest avenue, returned to their homes Tuesday after spending a ten-day vacation. Time was spent visiting Padorano's parents, Mr. and Mrs. Joseph Padorano, in Milwaukee, Wis., and with friends of Chibbe from Germany who are now residing in Milwaukee.

Several points of interest were viewed by the two couples while on vacation, including Lake Michigan.

— TRY A CLASSIFIED AD —

Attending Brother's Funeral

Leonard Ham and Levi Ham of this city, left this morning for Pine Bluff, Ark., where they were called by the death Wednesday of another brother, Harvey Ham. Services will be held in Pine Bluff Friday and the body will be brought to Illinois, for burial later in the week.

HOME FROM HOSPITAL
Mrs. Hilda Withaus, 1008 Seventh street, returned to her home Tuesday afternoon after spending one week as a patient of Barnes Hospital, St. Louis.

Granite City PRESS-RECORD

Thurs., Sept. 13, 1962 Page 17

'Parking' Accident

Fred K. Brand, 27, of 2321 Hodges avenue was about to pull into the curb at 5:40 p.m. Tuesday on Madison avenue near 23rd street. Mary J. Baker, 30, of McLeansboro, was about to pull away from the curb into the traffic lane at the same time. Their autos collided. Brand's vehicle was damaged on the left side. Both were heading south on Madison.

SOCIETY

Fall Projects

Planned By Group

Projects for the fall and winter season were planned by Epistol Alpha Chapter of Epistol Sigma Alpha sorority at a meeting last night in the home of Lucille Tritschbach on Ferguson avenue with Janice Bilelo, president, in charge.

A "test" party for members of a new chapter, Alpha Kappa, on Sept. 26, at the home of Mrs. Bilelo, will be followed by a bowling party. A jewel pin ceremony will take place Oct. 24, and plans were made for several members to attend the state meeting of ESA in Bloomington Oct. 12-14.

Tentative arrangements were discussed for an orphanage Halloween party, a Heart Fund benefit bowling tournament and a toy party in November.

The program for the evening consisted of a talk by Joseph Gottfried of American Legion Post 113. Ten members attended the meeting.

HOSTESS TO CANASTA CLUB
The Moo Moo Canasta club met last night with Mrs. Ann Harper, 2710 Washington avenue.

The birthday of Mrs. Grace Peterson was celebrated and she was presented with gifts. Prizes were awarded to Mrs. Alice Moehring, Mrs. Donna Rhodes and Mrs. Peterson. A late supper was served to eight members, and plans were made for the next party with Mrs. Sharon Hawes, 306 Kirkpatrick homes.

Thorngate Club Plans Breakfast

Plans for a guest breakfast at the home of Mrs. Ida Hanfelder Oct. 4 were made Wednesday at a meeting of the Thorngate Garden Club on Highway 66.

Mrs. Charles Delpe conducted the meeting and the group was entertained with motion pictures by Eugene Alsani of his recent trip to Mexico. There also was a flower exchange among the members.

Present were Mesdames Geneva Paul, Mary Cochran, Evelyn Leu, Beulah Miller, Mary Markham, Hanfelder, Frances Williams, Elizabeth Lavelle, Millie Moss, Doris Smith, Miss June Mackham and a guest, Mrs. Helen Bennett.

The next meeting will be with the Delpe.

Amvets Auxiliary To Hold Party

A semi-monthly meeting of Post 51 Amvets Auxiliary was held Monday evening and plans were formulated for a children's party Sunday on the Post grounds, 100-Lakeside drive.

Monthly family night parties to be held on Saturday evening were also discussed and a Christmas project for needy children was discussed.

Four new members were enrolled at the meeting. They were Mrs. Ann Tucker, Mrs. Mary Haneline, Mrs. Charles Sanders and Mrs. Joan McCord. Refreshments were served to about 25 Amvets and Auxiliary members.

First Fall Meeting of Webster PTA

The September meeting of the Webster school PTA was held Monday evening at the school with president Gerald Lux presiding and Mrs. Helen Frazier, read a letter thanking the unit for its contribution for the American ensemble's tour to Mexico.

Principal Lee introduced the teachers who were present, and Mrs. Lillie Spatt's kindergarten class received the book award for the highest percentage of parents present.

Mrs. Jo Ross, savings stamp chairman, announced that a thrift savings stamp program will begin Tuesday, Sept. 25.

Mrs. Juanita Fett, membership chairman, described three proposed awards for a membership drive to end in November. The unit voted to continue the book award for parent participation.

The date is Oct. 12 for the annual "spook" carnival, the unit voted to purchase nameplates for the new teachers.

The president introduced two new members, Mrs. Betty Castele, health, and Mrs. Kenneth Castele, treasurer.

A program chairman, Mrs. Pat Pool, introduced Don Calms, speaking for the Citizens' Committee on the sewage-pollution abatement election.

Emphasizing the health issue in the election, Calms compared the service charge for better sewers and for sewage treatment to the contribution for valuable insurance protection. The Citizens' program will guard property values and the health of every local family, he pointed out.

The meeting was adjourned, refreshments were served by the PTA executive board.

Fall Plans By St. Mary's PTA

Plans for fall activities were made at St. Mary's Parent-Teacher Association held its Sept. meeting Monday evening in the school cafeteria. A social hour will be held Sept. 20 and a bake sale in November.

Fr. Engelbert Bleske spoke on the subject of "The Holy Family" and teachers were introduced by Sister Mary Ann, principal.

The secretary, Alberta Miklaszuk, Sophie Leleniewski, Fanine Malon and Shirley Green were accepted as new members.

Mrs. Mary Ann Bunk, president, presided and refreshments were served by the hostesses, Mesdames Ann Lofner, Marie Mueller, Helen Cholewick, Lorraine Papp and Martha McElroy.

The next meeting will be held Oct. 8.

RETURN FROM WEDDING TRIP

Mr. and Mrs. Paul Steinberg, who were married recently in Cleveland, Miss., the home of the bride, have returned from a honeymoon in Miami, Fla., and are residing here where the bridegroom, a son of Mr. and Mrs. Herman Steinberg, 2229 Lynch avenue, is associated with his father's business bearing their name.

The wedding took place at Temple Adath Israel in Cleveland on Aug. 26 and a reception was held afterward at the Cleveland Country Club. The bride is the former Betty Kaplan, a daughter of Mr. and Mrs. Tobias T. Kaplan.

HONORED AT STORK SHOWER

Mrs. Gladys Woker was honored this week at a stork shower given at the YMCA by Mrs. Gloria Bergfield and Mrs. Trudy Schneider. Eighteen were present.

Decorations of flowers, storks and candles were used in the appointments. The evening was spent at games and prizes were awarded.

PARITY FOR GCB CLUB

Mrs. May McCauley entertained the GCB club at a party in her home on Edison avenue Wednesday. A noon luncheon was served and prizes in games were given to the hostess, Mrs. A. F. Wacker.

Mrs. Clara Harbig and Mrs. Lottie Scherrer. The next meeting will be in three weeks with Mrs. Scherrer.

This age is reaching out towards the perfect Principle of things; it is pushing towards perfection in art, invention, and manufacture.

—Mary Baker Eddy

Saturday At Edwarsville

Quad-City Area Units To Be Featured In 'Sesqui' Parade

The Quad-Cities will be well represented in the Sequenquennial parade Saturday at Edwarsville.

Floats, marching units, bands, floats, novelties and farm vehicles will be among the more than 90 different units taking part in the five sections of the parade.

Parade time is 1 p.m. from the assembly point at the Rohrkaste dairy on main street. The procession will move along Second street, along Main street, south to Vandavia street, then west and onto St. Louis street to the vicinity of Hadley street.

Those participating in the parade will use the high school parking lot to park their buses, automobiles and other vehicles.

Detour routes have been set up for traffic through arrangements made by the Edwarsville police, the Madison County Civil Defense and the Illinois Division of Highways.

Included among the Quad-Cities units are those of the Venice-Madison Colors and Drill Team, Venice-Madison Auxiliary Colors, Venice-Madison Juniors, Venice-Madison Legion amphibious truck, Tri-City Car and Granite City Press-Record.

Military units will include a marching group of Nike soldiers and an Air Force band from Scott AFB. The Sequenquennial Queen and her six princesses will ride in the first section.

Boy Scout Troop 23 met Tuesday evening at the Long Lake firehall with Benita Pickett and Herb Polley. Plans were made for a fish fry Oct. 5.

Boys present were Mike Abernathy, George Wilkerson, Charles Polley, Willard Hicks Jr., Alan Getteman Glenn Ash, off, Mike Krause, Jimmy Vaughn, John Jones, Floyd Ridgeway Jr., Mike Karlebach, Richard Turnbull, Bobby Pickett, Eddie Glenn, Danny James, Jimmy Meador, Mel Wheeler, Mike Norton and Tom Hazlett.

Accident While Turning

An auto driven by Arthur G. Mathis, 30, of 4001 Kirkpatrick homes, was damaged about the rear this morning. He was turning into a parking lot in the 1900 block of Edison avenue when the accident occurred at 7:55 a.m. with an auto driven by Eugene Brown, 29, of 2454 Edison avenue. Brown's auto was damaged slightly in front.

Is Sorority Plighted

Miss Jeanne Frynitzko, Granite City student attending the University of Oklahoma, was one of more than a thousand students to pledge Kappa Kappa Gamma sorority.

—ADVERTISE — IT PAYS!

Mr. and Mrs. Hershel Gann of Sunny Dell Acres had as their guest Thursday evening the Prophets quartet of Knoxville, Tenn. and Rev. and Mrs. Harvey Hill and family of St. Louis.

Mr. and Mrs. Bill Wiegand of Barkley street departed during the weekend for Columbia, Mo., where he will finish his education at the University of Missouri. Mrs. Wiegand is the former Miss Ruth Jones.

Lee Paul of East Chain of Rocks road returned to his home Tuesday from St. Elizabeth Hospital where he went for x-rays and observation.

Mrs. Fern Winyers entered St. Elizabeth Hospital Monday for observation and treatment.

Alumni Group To Present Respirator To GCHS

A meeting of the board of directors of the Granite City high school Alumni Association was held last night at the school presided over by Earl Parsons, president.

The group also voted to present a respirator to the high school athletic department.

A banquet was planned for Oct. 24 at the school and a nominating committee was appointed to select officers for the coming year. Their report will be given at the October meeting.

SOCIETY

City Drainage
Program Approved
By Emerson PTA

Rev. Truman Collins, president, opened the first meeting of the full term of the Emerson school PTA Tuesday evening by introducing the officers, Mrs. Walter Bergfield Jr., vice-president; Mrs. Howard Ebertson, secretary; and Mrs. Roger Fritz, treasurer. The program consisted of a talk by C. W. Hoescher on the Oct. 2 Bond issue proposal and following a question and answer period the group endorsed the Citizens Committee proposal. During a brief business session the committee chairman were also introduced by Rev. Collins. They are Mrs. Glen Beck, program; Mrs. David Nyberg, publicity and yearbook; Mrs. Joseph Timmons, membership; Mrs. Edward Mikolajczak, hospitality; Mrs. Madhum Bradley, Savings Stamps; Mrs. Fred Stinch, Area Council representative; Jerry Johnson, and Robert Gurley, legislation; Mrs. Ralph Taylor, magazine; L. N. Darner, budget. After a short talk by Dale Rea, principal, the members of the faculty were presented and the room count was taken. The attendance banner was won by Miss Joyce West's second grade. Refreshments were served by the faculty.

DONATING SALE ITEMS. Mr. and Mrs. George England, 2 Terrace lane, contributing items to be used by the Granite City Junior Service Club at the annual Flea Market Sept. 22, on the parking lot of the Granite City Trust and Savings Bank. The articles are being collected by Mrs. Marvin Fitzpatrick (left), and Mrs. Robert James (right).

ENTERTAINING TEXANS
Mr. and Mrs. Charles Youngs, 2241 Washington avenue, have as their guests for a few days the former's brother and sister-in-law, Mr. and Mrs. George Youngs of Aransas Pass, Tex. The visitors are enroute to Michigan.

Gay Nineties Club Meets

The Gay Nineties Club met Monday evening with Mrs. Fred Mosen, 3001 Iowa street. Those receiving awards were the hostess, Mrs. Charles Rumsch, Mrs. Arthur Lombard, and Mrs. Joe Parente. The next meeting will be with Mrs. Frank Schwarzkopf on Lindell blvd.

GABRIEL SHRINE
WILL HONOR OFFICERS
Gabriel Shrine 78, White Shrine of Jerusalem, will honor the Noble Prophetess, Mrs. Ola Downing, and the Associate Watchman of Shepherds William Pennock, at a stated meeting this evening at the Masonic Temple. Mrs. Gusie McKissick is worthy High Priestess, and Mrs. Metcalf is Watchman of Shepherds.

Committeewomen Discuss Drainage

The Granite City Democratic Committeewomen held a meeting Monday evening at the Rose Bowl. Mrs. Bernice Hagnauer president and John McBride, vice-president and plant manager of the Union Starch and Refining Co., and Alderwoman Gabrielle Bettine, discussed the coming drainage bond issue and conducted a question and answer period. Mrs. Vasil Ertimoff, ways and means chairman, reported and Mrs. Virginia Poulos, a guest, was introduced. Plans were made by the group to attend a committee meeting in Edwardsville Sept. 18. Prizes for the evening were won by Mrs. Lois Weeke, Mrs. Irene Sansoud, Mrs. Sue Lewis and Miss Catherine Colligan.

Sorority Plans Several Sales

A scheduled meeting of Eta Chapter of the Phi Tau Omega sorority was held Tuesday evening at the Elk's Club with sixteen members attending. Mrs. Waggoner was in charge and announcement was made of candy, rummage and "white elephant" sales to be held during the autumn. The proceeds from the sales will be used for the chapter's charity projects. Chairmen and committees also were appointed by Mrs. Waggoner, and a communication was read from the national president. The prize for the evening went to Miss Eunice Hatcher.

Retail Store Local 435 To Move Union Office

Retail Store Employees Local 435 will move its offices from 1925 Edison avenue to 1415 N. Ringhaus avenue on Oct. 1. It was announced today by Miss Hetty Sheppard, business representative.

The new quarters in the Danner building formerly were occupied by the Tri-City Girl Scout Council.

Miss Sheppard said the four-room suite will give the union more space for meetings.

GO TO CHURCH SUNDAY

Office Secretary For Chamber Of Commerce

Mrs. Irene O. Love, 1542 Lindell blvd., began duties this week as office secretary with the Tri-Cities Chamber of Commerce. A former employee of the Associated Retailers & Civic Association, where she was manager of the credit bureau, Mrs. Love replaces Mrs. Bobbie Sizemore, who resigned recently.

Her duties will include responsibility for business protection files, chamber member medical and hospitalization insurance and membership service activities.

Moose Lodge Names Pet Parade Judges

Judges were announced today for the annual children's pet parade to be sponsored Saturday afternoon by Moose Lodge 772.

The parade is to begin at 2 p.m. with entrants to march through downtown Granite City.

Judges, announced by Edward Chastain, civic affairs chairman, are Alex Schoenhofner of the First Granite City National Bank and Albert T. Belt of the Moose. A third judge is to be named.

Chastain said no advance registration is required for youngsters who wish to enter the parade. Participants will form at the Granite City Steel-First National Bank parking lot at Niedringhaus and Edison avenues.

Judging will be done at the end of the parade, at 20th and Benton streets. Prizes will be awarded for best dressed pet, most comical pet and most original pet. Consolation awards also will be made.

Ruling On Duty of Public Aid Recipients

Most successful men live on the theory that life begins each morning of the year.

It is the duty of a public assistance recipient or applicant to furnish information to the responsible governmental unit concerning his relatives who might be responsible for his care, Attorney General William G. Clark has ruled.

In another new ruling, Clark has held that the township in which a person entitled to general assistance actually lives and has his permanent residence is liable for his hospital, medical and burial expenses.

— TRY A CLASSIFIED AD —

Traffic Accident

An Wasyi Kokorod, 74, of 1532 Seventh street, Madison, was pulling away from the curb at State street and 18th street, at 1:20 p.m. Tuesday, his auto was in a collision with a passing auto driven by Willie B. Garret, 64, 1012 Iowa street, Madison. Both autos were heading north on Edison avenue.

Business Discussion At Venice Lions' Dinner

A dinner meeting of the Venice Lions club was held Monday evening at the American Legion home, with 23 members present. The president, Gene Egan, conducted the business meeting and Al Pace reported that the Lions trailer has been turned over to Lee Park Supt. Marvin Groshong for storage until it is needed.

Plans were discussed for their group to work on the Venice Boy Scout home on Sunday, Sept. 16. A donation was made to the Venice Women's club dinner held Sept. 16 in Lee Park for the block of Delmar avenue, near scholarship fund, and to the post office.

Granite City PRESS-RECORD

Thurs., Sept. 13, 1942 Page 23

Venice high school yearbook, "The Venetian," A letter was read from the Quad-City Safety Council on the need for traffic safety now that school is in progress.

A discussion was held on the club sponsoring a bowling team.

Minor Auto Fire

A carburetor backfire caused a fire at 10:45 a.m. Wednesday in an auto owned by George Newman of Rural Route One, Granite City. Firemen responded. There was no damage to the vehicle. The alarm was in the 1900 block of Delmar avenue, near the post office.

Strong Stand Taken By State On GC Pollution

(Below is the text of a statement by C. W. Klassen outlining the requirements for abatement of pollution by Granite City. It is the secretary of the Illinois State Sanitary Water Board and chief sanitary engineer of the Illinois Department of Public Health.)

"This refers to your April 9 inquiry concerning Sanitary Water Board action when a municipality does not voluntarily take action to abate pollution being caused by wastes discharged from that city's sewers.

The following comments pertain to Granite City as well as other municipalities, but particularly to Granite City inasmuch as the Board is committed to take whatever action is necessary in that state to abate pollution that is now being caused.

As you know, we have already started holding hearings involving municipalities in that entire area.

"I am enclosing a copy of the Sanitary Water Board Law from which you will note that this Board is authorized to cite the city officials to appear at a hearing to show cause why an order should not be issued to discontinue the discharges of wastes into the outlet water-course.

Charges Without Refund. "If at such a hearing the evidence shows that the city is causing stream pollution, the Sanitary Water Board can then

issue an order directing the discontinuance of such discharge. "Following the issuance of such an order, the city officials in order to comply with the order can issue non-refundable sewer revenue bonds to finance the necessary construction to abate the pollution.

"If for example, the municipality does not take action and violates the order of the Board, the penalties can then be invoked, as you will note from the enclosed copy of the Act. Among other penalties, this involves a fine of \$500 for the first day and \$200 for each succeeding day that the order is violated.

Block Federal Projects. "We hope that it will not be home on this resort to these methods to secure action at Granite City.

"In addition to the order and possible penalties, we advise federal-lending agencies such as the Federal Housing Authority and the Veterans Administration concerning such an order and suggest that they not give favorable consideration to further commitments which would require the city to discharge into the sewer system.

"I am trying to point out that it is not to the advantage of a municipality to have such an order issued against it. If such action becomes necessary, the Sanitary Water Board, can, and in the case of Granite City, will proceed as outlined above."

25 YEARS

The following items were taken from the files of the Granite City Press-Record

THURSDAY, SEPT. 16, 1915. Lester Mott of the Safe-T Construction Co., erectors of the new Madison post office, announced today that he had been selected by the federal authorities to have the building ready for final inspection and acceptance tomorrow.

For the first quarterly period of this fiscal year ending Sept. 1, the city of Granite City operated at a deficit of \$4,400 below the budget appropriation, according to a report just compiled by City Comptroller Carroll Briggs. The deficit was \$42,189 as compared to an estimated total of \$48,994.

The city's salary schedule accounted for \$28,390 of the quarterly expenditures while supply items etc., comprised the balance. Salaries exceeded the budget by \$10,908 and "other expenses" were \$3,501 below it.

Donald M. Higgins, scout executive of the Catalpa Mount Council of Boy Scouts, tendered his resignation to the executive board at a meeting held last night at the J. C. Foster house on Chouteau Slough. It will become effective Oct. 15. In his letter of resignation, Higgins explained that he is taking a position with St. Louis life insurance company.

Although the present rates paid by the Madison Car and Foundry plant are the highest of any shop in the country, there is still a great scarcity of skilled steel car builders.

After being shut down for several years the Scoupsa mill secured an order for 1000 steel hopper cars from the Union Pacific railroad. Owing to the recent shutdown, the company found it necessary to delay starting actual construction for several weeks, pending rehabilitation of the plant. Machinery is being overhauled and much of it replaced.

The Rogers Bros. company of East St. Louis today bought the old White Front hotel on Delmar avenue and is now wrecking it Monday. All families living in the building have been notified to vacate by that time. The building was erected many years ago and in recent years had depreciated into a fire trap.

The WPA program at Wilson Park which was delayed a few weeks will start Sept. 27, according to a letter received from WPA officials by the Granite City park board.

Five drum and bugle corps units will participate in the parade for the 13th annual parade held at 1:30 p.m. Sunday which will be a feature of the annual American Legion fall festival. The festival starts Friday night at the Legion home, 24th street and Madison avenue, and continues for three nights, including an afternoon session.

"Pepper" Martin of the St. Louis Cardinals will be guest speaker at the Granite City Rotary club next Tuesday night and will exhibit motion pictures of the big game hunt last year in Texas near the Mexican border in which Dr. Lemuel Hall, local pastor, and Ed Mercer took part.

Sgt. E. H. Buente of the Venice police force reported for duty this morning after a two-week vacation at Gordon, Wis. Other area people who made the trip to the vacation resort were Harry Buente, Venice fire chief; Arthur Moore, state highway patrolman of Madison; Herbert Roskoff, manager of the Hatcher grocery store; Frank Onksky, Madison postman; and Tony Racheff, Madison barber.

Miss Mildred Buente, Mrs. E. H. Buente and E. H. Buente of Venice, and Mrs. Irene Meyer of Granite City attended a party given by the Associate. Matrons of the Venice Chapter of the Masonic order held there last night.

Mrs. Charles Worster and Mrs. Harry Fossick were co-hostesses Tuesday evening at the Philanthropic class of the Third Baptist Church at the Worster home.

Local election of officers took place here by the Levee District. A "No" vote on the city-wide election of officers took place here by the Levee District. A "No" vote on the city-wide election of officers took place here by the Levee District.

At least 25 new memberships have been secured in the Associated Retailers membership today by G. B. Usery, secretary.

Two teachers were employed by the Granite City grade school board of education Tuesday. They were Mrs. J. C. Foster and Mrs. Lucas of Collinsville at \$112 a month and Miss Lillie Zimmerman of Collins, Ill., at \$125 a month.

J. M. Moss, well-known barberman, is displaying a giant tomato of a new variety at his place of business, 2137 Madison avenue. This single ripe tomato weighs close to three pounds.

Number of these fine specimens were raised this season on Garret Island and it is said that they have fewer seeds and a firmer, tastier flesh.

Sam Harshany of Madison, who has been playing with the San Antonio, Tex., club, has been purchased by the St. Louis Browns. He is a catcher and will be the most valuable player with the Browns.

Mr. L. H. Miller, 422 S. 10th street, is having a season of 312.

Le Harlan Jr. left this week for Jacksonville to enroll in Illinois College.

Fire that started when flames from an oil stove set a newspaper started behind the stove resulted in about \$3,000 damage to the home of Mrs. J. C. Foster, 2137 Madison avenue, Madison, Wed. night afternoon.

67 County Building Permits
Total \$844,300 Value

Madison county issued 67 building permits with a value of \$844,300 during August, it was reported at Edwardsville, Ill., office of County Building Official Charles J. Emperman.

The 47 permits included 10 for residences, worth \$817,550, nine for additions, valued at \$99,900, and two for business or commercial buildings, worth \$16,800 and four for home trailers.

Coast Guard Academy
Exams Feb. 18 And 19

The 87th annual examination for admission to the U.S. Coast Guard Academy, New London, Conn., will be held Feb. 18 and 19 in over 150 cities of the U.S. It was announced this week.

The examination is a two-day affair. The first day is a written exam. The second day is a practical exam. The first day is a written exam. The second day is a practical exam.

Progress, Prosperity Require Positive Approach To Oct. 2 Drainage Election

Positive thinking can be powerful. If it is strong enough in Granite City Oct. 2, pollution abatement and drainage improvements will be approved by voters—paving the way for a new era of progress and prosperity.

Negative thinking is an easy trap in which to fall, but it can only lead to a negative community with negative attributes. Here are a few potentially negative topics and comments which merit a positive approach.

1. "I've got my mind made up. Don't bother me with the facts." Prejudging such an important proposal before learning all about it can only hurt the individual. It is the local citizenry which has the most to gain or lose from passage or defeat of the drainage election.

2. "Why pay \$3.25 a month?" This is a fair question, but the \$3.25 cannot be compared with zero. It compares instead with the \$4 or higher monthly charge which would be exacted immediately by some and eventually by all if "No" votes prevail.

3. "Wouldn't it actually cost me \$5 or \$6?" At least \$5.85 would pay the minimum of \$3.25. The \$3.25 would be based on winter water usage only, not warmer seasons when more water is used.

4. "Forty years is an awfully long time to pay." True. But growth of the city will enable the rate to be cut and the number of years shortened.

5. "It's probably set up so the big users will get off easiest." False. Fees will be fair to all, based on actual use of the sewer system.

6. "Won't a lot of this be wasted? Look at all the sewer breaks that have occurred. There have been many sewer breaks—on lines installed here by the Levee District. A "No" vote on the city-wide election of officers took place here by the Levee District.

7. "Let the Levee Board do it. What's the difference?" Up to \$20,000,000. That's how much the city can obtain in urban renewal projects; the Levee Board is barred from getting any urban renewal funds for Granite City. Also, the local sewerage treatment plant is \$17,000,000 cheaper, and operating costs would be at least \$70,000 a year less than if the Levee Board treated local sewage without separating storm water and sanitary sewage.

8. "But what does it really matter? City and levee politicians are all alike, basically. Only under their program will be a better city. Under their program will be a better city. Under their program will be a better city.

9. "If the Levee Board does the job, maybe it won't cost us." False. Local people would still pay, and for an inefficient, costly treatment method. Monthly fees would be set by out-of-town politicians not dependent on pleasing Granite Cityans to stay in office. All of the cost would be borne here, not shared by the entire district.

10. "What about the need for recreation and

a lake park?" These worthy goals have no connection with the drainage election. Passage will not harm the effort to create a new park; defeat of the election would not speed establishment of the park.

"Don't forget the garbage collection issue and the way city officials have handled it." There was no Citizens Committee to render advice on the sanitation department. The garbage collection is being organized for eliminating local jobs; the drainage program and related urban renewal projects would provide many new local jobs.

12. "Then there's the fire station." Citizens were not consultants on that, either. Economy has been stressed by the Citizens Committee in all aspects of the drainage planning.

13. "Why isn't our combined sewer good enough?" It no longer meets state and federal standards. It mixes raw sewage with storm water, causing a health problem when a downpour floods the sewer lines. Granite City has grown too big to get by with the obsolete one-pipe system.

14. "But I've already paid for my sewers." In the main part of Granite City, you've paid for a one-pipe sewer. Where there is a two-pipe system, such as in Namek, it doesn't work properly now because the sewage lines connect with the one-pipe Granite City system.

15. "Taxes are too high now." This may be, but taxes in Idaho, Colorado, Iowa, Kansas, Nebraska and North Carolina will be even higher. The \$3.25 offers a saving—immediately in some neighborhoods and eventually everywhere in Granite City.

16. "If this is approved, people probably will start moving out." On the contrary, property values will increase. Everyone will be able to hold his head high as a citizen of a progressive community willing to solve its most basic problem.

17. "Who's to be held responsible? Who stands to gain most?" Local citizens. If people were to let negative thinking prevail, they would be "cutting off their own nose to spite their face." The success of the Oct. 2 ballot proposition is linked directly to the future prospects of the city and each local family. A "Yes" vote will be a vote for health and progress.

Time To Proceed With Final Zoning Hearings

Now that the summer vacation period is over, the time seems ripe for resumption of hearings by the Madison County Zoning Commission. With 18 of the completed and the beginning of the more townships to visit before beginning preparation of its recommendations to the County Board of Supervisors.

Though a small group of traveling opponents of zoning had sought to make the hearings tedious and uninformative, there is hope that the remaining sessions in Granite City, Venice, Chouteau, Alton, Good River and Godfrey townships can be carried out on a more orderly and productive basis.

As soon as these last hurdles are cleared, the commission can present its report to the County Board, which is being urged by citizens to take affirmative action this year.

St. Mark's Leads Area With Air-Conditioned Classroom

Air-conditioning of a regular classroom at St. Mark's grade school in Venice represents a "first" in the Quad-Cities. We will not be surprised if the idea spreads.

Interest may center next on Granite City high school because of many summer classes, or on the Maryville, Mo., school. The latter school, where ventilation ducts were made large enough for cooling as well as heating when those buildings were built. Cost differential at the time was slight; now cooling and heating and electric costs are high.

Whether for summer courses, enriched and lengthened semesters or full-year operation, the trend toward summertime cooling seems sure to be extended to schools. The evidence of this is in other parts of the nation, and a start locally has been made at one of the pioneer centers of learning in the Quad-Cities, St. Mark's.

help the needy people all over the world, while you have taken tax money to pay for it. We are asking the people of Granite City to vote "Yes" for the \$100,000 bond issue. We are saving progress and prosperity for Granite City.

Please do not let financial greed blind you. Expect these people to vote "yes" under these conditions? Vote "yes" for the bond issue. Vote "yes" for the democratic procedure. If, at the same election, Mr. Citizen would get the privilege of voting for Granite City, he would be able to elect one or two representatives of his ward as watchdog.

Ten million dollars is a lot of money, and it might pay off tenfold if a citizens' committee—elected by the people, not appointed by the city—were established to watch that no holes were eaten out of the bottom of the taxpayers' pockets.

On several gala occasions in the past, the Granite City plant, never did I see this happen in the rank of our civil defense officers. I salute them, one and all.

The fee to be paid to Harry S. Truman, did not the federal government appropriate a fund for the Truman library? Let us set aside maintenance money for the operation?

You have questioned my honesty and integrity. I challenge you to debate this issue or, I apologize, I have the proof.

JOHN B. MOSS
1021 Omaha street

PUBLIC WISE ENOUGH TO VOTE 'YES' ON DRAINAGE
To the Editor:

I can't understand why you are wasting so much space in advocating the sewer and drainage bond "Yes" vote. The citizens of Granite City may be stupid, but they are not stupid. Don't you think they know from experience that adequate drainage for Granite has been a necessity for years?

The principle of the drainage bond is to provide for the future of the city. It is a vote for the future of the city. It is a vote for the future of the city.

JUDICIAL AMENDMENT—REVISION LONG OVERDUE. Constitutional judicial revision in Illinois is long overdue. Qualified legal authorities have recognized this fact for some time.

The Illinois General Assembly, cognizant of the need for modernization of the Illinois judicial system, approved an amendment that was submitted to the electorate in 1938. This amendment was defeated by only a few thousand votes. The principal objectors at that time have since declared support for the new article to be voted Nov. 6.

It will, therefore, be the second time in recent years that the electorate of the state has voted on a judicial amendment to the constitution.

Trend in other States Illinois is following the pattern of several other states in effecting judicial reform. Five states, Idaho, Colorado, Iowa, Nebraska and North Carolina, will seek approval of revisions in the constitutional structure of their courts this year.

New York recently approved a substantial change in its judicial system, Missouri made a vast change in its judicial organization as early as 1940, following the lead of New Jersey in 1947.

However, none of the changes in these states, impressive as they are, measure up to the objectives of the Illinois amendment. If this amendment is adopted, it will streamline our courts and remove much of the confusion that exists under a mass of courts of overlapping or conflicting jurisdiction.

Since the courts will operate under the supervision of the Supreme Court, it means that judges may be reassigned on a temporary basis. Some courts, overburdened with work, therefore, could be relieved by judges who have a relatively light case load. This is accomplished with the consent of the chief judge of the Circuit Court from which judges are taken.

In addition, the Supreme Court will be able to recall to temporary service any judge, with his consent, who has retired. This will further provide for an experienced manpower for emergencies.

Such a system should provide a substantial change in its judicial system, Missouri made a vast change in its judicial organization as early as 1940, following the lead of New Jersey in 1947.

Fall Camporee To Be Held At Cahokia Mound

Cahokia Mound State Park has been chosen as the location of the 1962 fall camporee of the Cahokia Mound Boy Scout Council Friday, Oct. 12, to Sunday, Oct. 14. Accommodations are being arranged for 1000 scouts and leaders, and the "Pit for Outer Space" theme will emphasize physical as well as scouting skills.

All troops will provide their own tents, bedding, food and transportation, while milk and bread will be available at the site. All activities will feature patrol competition, and awards will be given.

Practical Nurse Class Qualifications Listed

Pre-entrance exams for the area-wide practical nurse program will be held Oct. 2 and Oct. 16 at Alton, it was announced this week by Mrs. Nedra Moran, educational co-ordinator at St. Elizabeth Hospital.

The tests will be given starting at 8:30 a.m. on both dates at the Alton senior high school in the F. W. Olin vocational building, 2200 College avenue, Alton. The fee for writing the test is \$1.

Qualifications for the applicant to be between the ages of 18 and 55 years, in sound physical and mental health and completion of two years of high school or its equivalent.

The program continues 12 months, which is divided into four months of classroom theory, to be given at Olin school, and eight months of clinical experience in an affiliated hospital. All students from the local area receive their clinical training at St. Elizabeth Hospital.

Further information may be obtained from Mrs. Moran at the local hospital between 9 a.m. and noon, Monday through Friday.

PLANNING SESSION—Classes began this week in various technical courses at Granite City high school in the adult education program offered by SIU in cooperation with East Side Manufacturers' Association. This group of instructors met at the Elks club restaurant to plan this week's opening. They are (seated, left to right) Marvin Ford of Olin Matheson Chemical Co., Herbert Boer of Olin Matheson Chemical Co., Frank Mansfield, of East Side Associated industries; William Randall of Alton Box Board Co.

Saturday Deadline For SIU Admission

Students entering or re-entering Southern Illinois University must complete admission requirements before they can register for the fall quarter. Southwest campus registrar John H. Schnabel said today. Because of the great volume of applications being received in the admissions office, Schnabel said applications received after Saturday, Sept. 15, will not be processed for the fall quarter 1962 but for the winter quarter 1963.

General registration for the fall quarter at the Alton and East St. Louis centers is set for Sept. 24, with classes beginning the following day.

1963 Federal Service Job Application Exams Set

Applications are now being accepted for the 1963 federal service entrance examination, the U. S. Civil Service Commission has announced. This examination, open to college juniors, seniors and graduate students regardless of major study, as well as to persons who have had equivalent experience, offers the opportunity to begin a career in the federal service in one of some 60 different occupational fields. A written test is required.

The positions to be filled from the FSEE are in various Federal agencies and are located in Washington, D. C., and throughout the U. S.

Depending on the qualifications of the candidate, starting salaries will be \$4345 or \$5355 a year. Management Internships with starting salaries of \$3355 or \$4435 a year, also will be filled from this examination.

Applicants who apply by Sept. 27 will be scheduled for the written test to be held on Oct. 13. Additional tests have been scheduled during the year. The dates are: Nov. 17, Jan. 12, Feb. 9, March 16, April 20, and May 11, 1963.

The closing date for acceptance of applications for Management Internships is Jan. 24, 1963. For all other positions, the closing date is Jan. 25, 1963.

Details concerning the requirements, further information about the positions to be filled, and instructions on how to apply are given in civil service announcement No. 287. These announcements may be obtained from Daryl B. Few, at the downtown Granite City post office.

Schedule Girl Scout Orientation Course

An "Orientation to Scouting" course will be offered here by the River Bluffs Girl Scout Council next month, according to Mrs. O. N. Wampler, council training administrator.

Set for Oct. 22, the course will be given from 7:30 to 10 p.m. at the Nishnangus Memorial Methodist Church. It will precede a basic leadership course.

Mrs. Wampler said anyone interested in girls' work or in the Girl Scout organization is invited to attend. Purpose of the orientation is to give a broad view of Girl Scout philosophy, objectives, policies and procedures, she said.

11-Million U. S. Hunters Buy Permits, Licenses

A total of 11,796,890 hunters in 46 states purchased one or more licenses to hunt during 1961, according to reports received by the U. S. Dept. of the Interior. The 1960 total was 11,785,753.

and Frank Rogers of Granite City Steel Co. Standing (left to right) are Dale Blount of SIU; Earl Voels of Union Electric Co.; James Widmeyer of Dow Metal Products Co.; George Ferguson of Dow Metal Products Co.; Robert Stevens of SIU; Stan Young of St. Louis University; Paul Skerpsleth of SIU; and Wallace Schoenbeck of Union Electric Co. Courses are taught in Alton and East St. Louis as well as here.

Industrial Management Courses Begin At GCMS

Classes began tonight at Granite City high school in Labor Management relations and reading improvement in the program offered by SIU's Division of Technical and Adult Education in cooperation with the East Side Manufacturers' Association. Courses in economics of industry and industrial engineering logic and "the supervisor and his job," and material handling began this week.

All classes begin at 7 p.m. and end either at 9 or 9:30 p.m. They may be called by E. R. Castevens at Edwardsville 656-3970 Ext. 238. All subjects are \$15 a course with the exception of reading improvement which is \$14.40.

Courses in practical psychology for supervisors, cost control for foremen, reading improvement, current labor law, basic industrial metallurgy, effective speaking for supervisors, economics of industry and effective management are being taught by the River Bluffs Girl Scout Council in non-Community Chest or United Fund communities.

Girl Scout funds in the Quad-Cities are provided by United Fund contributions.

Mrs. Dudley F. Giberson, council finance chairman, said funds are needed to recruit and train new leaders, maintain and operate camping facilities and provide the best possible scouting program.

Training At Great Lakes

Harold E. Hackney, son of Mr. and Mrs. Clarence T. Hackney of 210 Hampden street, Venice, is undergoing nine weeks of basic recruit training at the Naval Training Center, Great Lakes, Ill.

Three Divorces Are Granted in City Court

Three divorces have been granted in city court before Judge Fred P. Schuman. Shirley Mae Mudd, charging desertion, was divorced from Homer G. Mudd. The couple married on Aug. 13, 1960, separated on July 15, 1961, and have no children. The plaintiff's maiden name of Sievers was restored.

Charging cruelty, Stella Murphy was granted a divorce from George E. Murphy. She was granted the custody of a minor child. The couple married Sept. 22, 1951, and separated last Aug. 1.

Della Mohon, also charging cruelty, was divorced from Jamie Mohon. The children couple married on Dec. 31, 1951, and separated last Feb. 6. The plaintiff's maiden name of Pickett was restored by the court.

Girl Scouts Set Goal In Non-Fund Area Drive

A goal of \$5000 has been set for a fund drive to be conducted by the River Bluffs Girl Scout Council in non-Community Chest or United Fund communities.

GC Building Permits \$22,000 During Week

Granite City building permits during the first part of September totaled a slim \$22,100, according to Earl Bloomquist, city clerk, inspector.

Bloomquist said one permit was issued for a commercial project. The Brewer Motor Co., 1163 Madison avenue, received a permit for remodeling their showroom at a cost of \$1500.

A permit for remodeling three townhomes at 1808 State street was received by William Baker. Cost of that project is estimated at \$7000.

Two permits were issued for garage and carport construction, with the rest for general home improvements or repairs.

Robert Diehl received a permit for a \$2100, three-room addition at 2015 Harding Blvd.; Earl Kercher a permit for installation of bathrooms at 2201 and 2203 Dewey avenues at \$2000; and Ralph Abrams a permit for remodeling at 2025 Twelfth street at \$2000.

Harry Tongay received a permit for general repairs at 1590 Joy avenue, \$2000; and Floyd Hatcher a permit for installation of aluminum siding at 2979 Iowa street, \$8500. A permit for bridge repairs at 2509 Grand avenue at a cost of \$1000 was issued to Bob Francis and Beale Nelson received a permit for construction of a \$500 porch at 2006 Bryan avenue.

A permit for a garage and breezeway at 1801 Venice avenue at a cost of \$2200 was received by John Hovatt, and John McKinnon got a permit for construction of a \$1000 carport and patio at 2812 Fortune drive.

BROWNIES ON AN OUTING attend day camp at sessions at Camp Lakota near Glen Carbon. This past summer

239 local girls participated in the activities at Camp Lakota, under the direction of adult volunteers and Senior Scout counselors.

2047 Local Girl Scouts Aided By United Fund Drives

Quad-Cities Girl Scouts are members of District Four of the River Bluffs Girl Scout Council, an organization of 12,446 girls and 1452 volunteer leaders covering four and one-half counties.

In the Quad-Cities area, 2047 girls in 128 troops belong to the Girl Scouts, assisted by about 297 volunteer leaders, according to the latest figures.

As Girl Scouts, they participate in a program which includes arts and crafts, literature and dramatics, music and dancing, community life, international friendship, nature, sports and games, agriculture, health and safety, and homemaking.

Seven to 10-year-old girls—1135 in Quad-City Brownie Scout troops—may adopt an elderly person or couple at a nearby nursing home, visiting them weekly and help them celebrate birthdays and anniversaries.

In summer, Brownies may plant trees and shrubs in parks and near institutions such as at veterans' hospitals, local cemeteries and the Council's Camp Lakota near Glen Carbon.

Aid Needy Families
At Christmas-time all Girl Scouts participate in projects to prepare food baskets for distribution by a welfare agency.

At 11, when they become full Girl Scouts, they may hand out posters at local business and public places, assist at the local library, in homes for the aged or as Candy-Stripper volunteer workers at the local hospital.

On occasion, they prepare bandages for hospital use, babysit for mothers attending FFA sessions or plan parties for a children's home. Eight hundred and ten Quad-City girls are Scouters.

When the girls enter high school, they become Senior Scouts, taking complete charge of their own activities, including meetings and projects. The 102 area Senior Scouts select their own projects and govern their own meetings with the assistance of volunteer leaders, using a general outline supplied by the Council.

Quad-Cities' Senior Scouts were hostesses to other Seniors in the district for a two-day meeting in March.

International Event
This past summer, five local Senior Scouts were selected and trained for the Senior Roundup, an international event at Baton Rouge, La., attended by 8500 selected girls from the United States and 20 foreign countries.

Five others were selected and trained for an alternate encampment at Camp Norwesco, Wis.

Skills and camping skills they acquired at Roundup enabled them to assist junior counselors at day camp sessions this year at Camp Lakota.

At the Council's 12-day established camp at Pere Marquette park, Grafton, 23 local girls were in attendance. At Lakota

GIRL SCOUT SUNDAY brings out Girl Scouts to worship as troops. These Brownies join the Rev. Paul Evans, pastor of the First Assembly of God Church, in prayer.

IN THEIR BEST BIBS AND TUCKERS, these Girl Scouts march in formation as they join in a holiday parade.

229 girls from local troops attended day camp.

Until this year Quad-Cities area Girl Scouts were members of a local council which was recently merged with several others in southwestern Illinois to form the River Bluffs council, with headquarters at Belleville.

Benefits Of Merger
Expected benefits of the merger are more economical use of funds from United Fund and other supporting drives; formation of larger councils with improved program potential; professional troop consultants (before merger the Quad-Cities area had no professional Scouters); and freeing of volunteers

from some program duties.

Local Scout leaders are: Mrs. George Eubanks, Granite City, council first vice-president; Mrs. Jess Tawney, Madison, council treasurer; Mrs. Harold Brown, district four chairman; and Mrs. Charles Rodell and Mrs. Charles Delp, board members.

In the past year 509 Scout volunteer leaders have enrolled in Council training courses. Planned for this fall and winter are orientation to scouting courses, basic leader courses, program progression workshops, outdoor training courses, nature study work, administrative training courses, volunteer trainer courses and an outdoor cooking workshop.

Operating out of the Council's Belleville office are Executive Director Miss Yeta Punderbunk and three other professionals. At present one position is open. The Tri-Cities United Fund has allotted the Council \$16,830 for 1963. Major expenses are: professional salaries, training at the national and council level, rent, office supplies, mimeographed materials for distribution at the troop level, camping expenses and maintenance of the Council six campsites. The council's total budget is \$100,952.

Granite City PRESS-RECORD Thurs., Sept. 13, 1962 Page 37

Three Free On Bail
Barbara Watts, 33, of 2429 Bryan avenue, and Betty Tinsley, 28, of Collinsville, pleaded not guilty Monday to charges of creating a disturbance. Hearings were set by Police Magistrate Gasparovic for Sept. 27. They were arrested with James L. Tinsley, 38, Collinsville, at the Evergreen tavern, 2318 Nameoki road, at 9:40 p.m. Saturday. Additional charges of using profane language and refusing to obey

were lodged against Tinsley. He was freed on \$48 cash bond until Sept. 15. The women were freed on \$16 cash bail each.

"CHICKEN FAT" RECORDING is presented to Dr. Harold Kaiser, right, Granite City school superintendent, by Alvin Barnes III, president of the Granite City Jaycees. The record is one of 20 given by the club for use in school physical fitness programs.

'Chicken Fat' Records Presented By Jaycees

Twenty recordings of the Meredith Willson tune "Chicken Fat"—designed to promote physical fitness in the public schools—were presented to Granite City schools Tuesday by the Granite City Junior Chamber of Commerce.

Jaycee President Alvin Barnes III presented the records to Dr. Harold M. Kaiser, school superintendent.

Willson, composer of such hit plays as "The Music Man" and "The Unsinkable Molly Brown," wrote "Chicken Fat" as a contribution to the work of the President's Council on Youth Fitness.

The records, with Robert Preston doing the vocals, are being donated by Jaycees throughout the country to the public schools. "Chicken Fat" leads the listener through a series of exercises including a toe touch, push-ups, torso twist, marching in place and other movements.

Chamber Of Commerce To Tally Votes Today

Tri-Cities Chamber of Commerce members must have their ballots turned in to the C. of C. office at 1930 Edison avenue by 5 p.m. today for them to be counted in the board of directors' election.

A board of judges will be on hand at that time to open and count the ballots. There are 18 candidates for the nine three-year board of directors' terms.

The judges are Chairman Charles F. Reimers, Charles L. Gavin, Barry Loman, Frank R. Rea and Everett G. Steele.

Back Yard Fire

Granite City firemen responded at 5:45 p.m. Monday to 2833 Forest avenue, the home of Bernard Strain. A gasoline can had caught fire in the back yard. There was no loss or damage, firemen said.

Anytime Before They Go On Sale—Name Will Be Drawn At Time of Sale For These One of A Kind SPECIALS!

MADISON'S TROJANS, defending Midwestern conference football champions, will open their 1962 season tomorrow night at Edwardsville. Front row (from left), John Hadley, Ted Nizinski, Tom Lubat, Sam Dymas, Wali Cooper, Terry Andrews, George Russell, Ken Harris and John Onesty. Second row (from left), Gene Brown, Tom George, Steve Kohn, Gary Skinner, Lester White, a Bob

Bunk, Bill Schaak and Ron Leleniewski. Third row (from left), Don Broyles, Harry Harrell, Ben Bosworth, Bob Clinton, Jeff Gravelle, Jody Gray, Frank Broyles and Stan Bonasack. Back row (from left), Tom Miller, Jesse Harris, Jack Miller, Dave Andrews, Bayou Jackson, Steve Purkay, Charles Adams and Bob Taylor. Press-Record Staff Photographer

Warriors, MHS Meet Assumption, Tigers In Openers

Isselhardt's 'Best' Team At Home To Trojans Friday In Edwardsville

"The best team I've had since I've been coaching here" is the way Edwardsville football Coach Benny Isselhardt described his charges prior to the beginning of practice this year.

And, despite the loss of two members of his first offensive unit through injury that time, Isselhardt still feels the Tigers will show enough poise to get past opening game opponent Madison in Edwardsville tomorrow night.

Edwardsville had a 2-5-1 record during 1961, and the lone tie was a 19-19 standoff in Madison on the opening Friday of the season. The Trojans went on to an undefeated season on the Midwestern conference, while the Bengals finished fifth in the tough seven-member Southwestern conference.

There were a lot of sophomores and juniors on that Edwardsville club, and Isselhardt feels that they learned something while taking their knocks.

Schaak Fine Passer
Heading up the promising Bengal squad is senior quarterback Larry Schaak, who has almost two full seasons as signal caller under his belt. "He's very sure of himself, and a fine passer," Isselhardt said.

While the Tigers lost fullback Kent Wildman for the season with a broken ankle and won't be able to depend on regular guard Mike Wahl Friday because of pulled knee ligaments, the situation at other positions appears bright.

Bob Hoskins, a big (205) senior end, could be Schaak's favorite target when the Tigers

line's wing-T offense, and Pickering has experienced players on John Onesty, tackle Sam Day, the right side of the line in guard mass and end George Russell.

The starting assignments given to four non-lettermen on the left side bear out Pickering's lament of lack of depth, as does his plan to use nine of his 11 offensive starters in his first defensive platoon.

The opposing offensive line and backfields are almost identical in the total weight department, with the Tigers having an experience edge in both cases.

Mouthpieces, Minor Rules Changes For 1962 Grid Season
Mandatory use of mouth and tooth protectors and changes in blocking rules which involve a good deal of interpretation by officials are among high school football regulation revisions adopted for the 1962 season by the Illinois High School Association.

All players will be required to wear "suitable" mouth protectors in full addition to the helmet.

Several coaches have voiced opposition to the mandatory mouth protectors, which resemble a boxer's mouthpiece, saying that it will hinder a quarterback's calling of plays in the huddle and make it difficult for his teammates to understand his verbal commands at the line of scrimmage.

But it will save teeth, the IHSA feels.

The '62 revisions also state that a blocker may not contact an opponent with forearm or elbow if, at the time of contact, "the forearm or elbow is moving faster than the shoulder."

Blocking an opponent with the hand or arm at a point above the opponent's shoulder will also constitute a violation.

Contacting an opponent, either offensive or defensive, with locked hands is prohibited.

The hand or forearm of a defensive player warding off a player in a legal manner is not a foul.

Each of the infractions listed above will carry a 15-yard penalty.

To prevent mixups, penalties occurring at the end of the first or third periods will be marked off before the teams exchange goals.

All in all, there will not be much change in the way prep football is played, at least from the spectators' viewpoint.

City Jeep Damaged
A jeep belonging to the city of Granite City was damaged at the left rear Monday afternoon in the 1400 block of State street as it was parked for fogging a catch basin. Police said it was struck by a car driven by Harold Evans of 2672 Highway 162.

CLAUDE PICKS:
FRIDAY
Assumption 26, Granite City 13 — green Redskins; Edwardsville 15, Madison 6 — blue Trojans; Cahokia 14, Comanches come in to their own; Wood River 28, Bethalto 6 — another long year for the Eagles; Roxana 18, Southwestern 7 — Shells still primed; Marquette 20, Hadley Tech 6 — another Catholic league crown; Highland 12, Cleveland 12 — Bulldogs by a hair; East St. Louis 15, St. Louis 11, High 2 — season produces winners; Alton 25, Quincy 12 — de-emphasized blocking; Dupu 13, CRU (Quincy) — too much Tiger beef.

SATURDAY
Bellville 27, Webster Groves 20 — revenge over the Statesmen; Maybree 26, Collinsville 26, Roseville 18 — Cahokia meets nature; St. Thomas Aquinas 12, Western Military 6 — Gadsdell out of step; York 12, Lincoln 28 (St. Louis) 20 — a fine opener.

Only five returning lettermen greeted Edwardsville coach Benny Isselhardt when practice began, but in Larry Schaak, Wayne Henderson and Kent

Wildman, all seniors, he has three-fourths of a capable backfield. Sophomores will get plenty of opportunities on a club which Isselhardt calls "my best in 12 years."

At Wood River, coach Orv Youm has 19 lettermen back, but is not too hopeful for improvement. The Oilers have averaged less than one conference win per season since they joined the SWC.

Midwestern Outlook
Cahokia has changed its style of play this fall since Truman replaced John Dal Santo as head coach. It isn't often that a first year coach gets the nod as a conference champion director, but other Midwestern mentors feel that way, at least for the record. The Comanches' Tytus Winters should be the outstanding running back in the conference this fall.

Earl McClane's short punt offense will need some help from unexpected sources this fall if the Roxana coach is to make his 17th season with the Shells a successful one. Only backfield letterman returning is quarter-

back Jim Frazier. Roxana lists only nine lettermen in all. Repeating as conference champion does not appear to be in the cards for Madison this fall. Coach Glen Pickering led eight starters from his 6-1-1 club of 1961, including high school All-American halfback Ed Proby. The '62 backfield situation is not so serious as the line problems, however, where there are a lot of goals to play.

Look out Highland's Bulldogs who compiled their first winning season in the school's history last fall. Would like to do it again for coach Frank Probal. Probal can call on only five lettermen, but they include quarterback Ray Rannach and pass-catching ends Chuck Belchel and Bob Rosenthal. A light in-

OVER 60 STRONG, Granite City's football Warriors will inaugurate their 1962 season at home tomorrow night against Assumption. Front row (from left) Nick Pettilio, Terry French, Mike Voorhees, Mike Mounce, Randy Thompson, Bob Fyle, Jim Scissom, Alan Gasparovic, Jerry Nelson, Jim Parker and Norm Wilfong. Second row, Larry Anderson, Randy Stegelmeyer, Bill Bates, John VanDeusen, Chuck Mizerski, Roy Romine, Jerry Lybarger, Vince Debevec, Dick Whitsett, Eric Robertson and Ron Yates. Third row, Dan Messey, Joe Hauselman, Bill Lierman, Larry Noblin, Larry Musgrove, Reggie Welser, Ted Wasylak, Mike Harris,

Clinton VanZant, Jim Nash and Rick Neutebuch. Fourth row, Tim Gibson, Joe LaMacchia, Ted Bowken, John Love, Bill Boyd, John Evenden, Joe Hans, Elton Hall, Mike Starke, Ray Shelton and Jack McKeehan. Fifth row, Mike Jesse, Gary Bess, Roy Lord, Terry Turner, Bill Nispet, Herb Heaton, Tom Croycraft, John Zaral, Jesse Wise, Ethon Allen and Gary McGouley. Sixth row, Denny Petroff, Joe Nemech, Tom George, Ernie Kern, Jerry Line, Larry Curry, Eddie Daech, manager Mike McCarty, trainer Kerry Huber and manager Bob Grayson. Press-Record Staff Photographer

PRESS-RECORD SPORTS

Page 40 Thurs., Sept. 13, 1962 Granite City PRESS-RECORD

'Claude' Sees Maroon-Flyer Battle For SWC Grid Title; Cahokia As Midwest Champs

Dusted off and oiled up after a long rest, Claude the Computer this week began his annual fall football predictions by selecting Cahokia to wrest the Midwestern conference football title from Madison, and Belleville and East St. Louis as the top choices for the title in the Southwestern conference for larger schools.

It required no brain-busting effort on Claude's part to pick the favorites in the two area conferences Cahokia's "system" football should reward patient Comanche fans this fall, and enrollment at the school has soared to the point where new coach Pete Truman has oodles of material from which to pick.

East St. Louis and Belleville should be well staged to repeat performance of the 1961 conference race when the clubs tied for the title, although the Flyers were pretty convincing in their victory over the Oilers in the annual season — ending Thanksgiving morning tilt.

Fred Cameron, as crafty as pickers in pre-season statements as he is with winning strategy once the schedule is under way, lost time through graduation, but John Willis and most of his experienced interior linemen are back.

At Belleville, Coach Bob Fraha has 19 lettermen returning, all seniors, but admits it will be difficult to improve on last year's 8-2 record. Biggest job will be finding a capable replacement for quarterback passing with John Adams and "fighting" complacency among seniors.

Fraha has the best stable of running backs in the conference. Anderson, picked by some as the club which is standing in the wings ready to take the spotlight if either East St. Louis or Belleville falters, again will have typical speed in the backfield.

Coach Red Messey has built his '62 club around 15 returning lettermen, all seniors. Danny Gantz and Mike Wyratt both lettered at quarterback last fall, and there is not a position in the lineup where a letterman is lacking.

Last year was a rebuilding season for Belleville, which should be ready to add a little balance to the conference under the leadership of Verni Fletcher this fall. Kahok speed on the ground, something absent in recent seasons, could replace the look-alike serial circus. Fourteen lettermen available at 20 positions.

Eighteen lettermen lost through graduation make new coach Al Lewis' job a tough one this fall at Granite City. The Warriors look solid in the backfield, with lots of healthy competition, but most of the graduated letter winners were interior linemen, including toughies Don Lindell and Terry Trismore. Six of the 11 returning lettermen played regularly last year.

Only five returning lettermen greeted Edwardsville coach Benny Isselhardt when practice began, but in Larry Schaak, Wayne Henderson and Kent

Wildman, all seniors, he has three-fourths of a capable backfield. Sophomores will get plenty of opportunities on a club which Isselhardt calls "my best in 12 years."

At Wood River, coach Orv Youm has 19 lettermen back, but is not too hopeful for improvement. The Oilers have averaged less than one conference win per season since they joined the SWC.

experienced line will be the big headache. Bethalto, recipient of Mike Ryan's "walking wounded" award for the past several seasons and winner only once in nine tries last year, has only four seniors on its roster this fall, and coach Cliff Hoppe can be excused for already looking ahead to the next couple of seasons. Nine of his 12 lettermen are juniors.

New coach Don Brubaker inherits a gloomy situation from ousted Paul Taylor down at Dupu, where only seven Tiger lettermen were on hand for opening practice. Underclassmen aren't getting lots of opportunities in what looks like a "rebuilding season."

DIRECTING MADISON'S football fortunes again this fall will be the same three coaches who helped the Trojans win Midwestern conference championship in 1961. From left to right are Joe Asperger, sophomore and junior varsity coach, head coach Glen Pickering, and freshman tutor Bob Page.

GRIDIRON BRAINTRUST at Granite City high school this fall is the same group of coaches pictured here. From left to right are Larry Burkhardt, varsity line coach; Stan Wojcik, sophomore coach; Roger Manuel, sophomore coach; Al Lewis, head coach; Lewis' assistant, varsity backfield coach, and Ross Rosenthal, varsity end coach. George Burkhardt and Wojcik are new to the GCHS football staff this year.

Plans Set For Youth Bowling In Mitchell
Mitchell area youths will be eligible to bowl this season in a league now being organized by the Kiwanis Club of Mitchell. Youths from eight to 18 years of age may take part. Boys' and girls' teams are planned.

The Mitchell club area includes the Van Meter, Cedar Park, Hills Terrace and Sunny Dell Acres subdivisions and the Summit, Guth and Rajeen additions. Further information may be obtained by calling Smith's cafe in Mitchell.

"BLAST OFF" MEETING scouting awards are displayed by scout leaders. Left to right are Allen Jesse, district chairman, with "Door Knob" award; Pack 2 Cubmaster Frank Krause, and Council Commissioner Rollin Henn holding a citation from Gov. Kerner for activities in the recent "Open the Door for More" campaign.

Four Building Permits Ok'd By Venice Council

Four building permits were approved by the Venice city council for construction projects amounting to \$3150. All were for home additions.

Alderman James Miller received a permit for addition of one room and a bath at 207 Abbott street. He estimated the cost at \$2000.

A permit for addition of two rooms at 1120 College street at a cost of \$300 was issued to James Bardon; Rev. Van Covington received a permit for a one-room addition costing \$500 at 1031 Bissell street; and Don

Annual Inspection For National Guard Company

Between 15 and 20 Quad-Cities will participate as the 130-man National Guard Company D, 130th Infantry, holds an annual "inspector general" inspection at 8 o'clock tonight at the East St. Louis Armory, 2931 State street.

Uniforms and equipment will be viewed during the inspection, for which the National Guard members will wear their full dress attire. Lieut. James Snipes of Granite City is commanding officer.

Ald Scaturro received a permit for addition of a room at 1305 Robin street at \$150.

Local Scouts Pledge To Recruit 200 More

Quad-Cities Boy Scout units pledged to recruit more than 200 new scouts at a "Blast Off" recruiting meeting Monday evening at the Carpenters Union Hall.

The meeting theme was highlighted with a tape recording of the actual firing of a rocket from Cape Canaveral and the voice of Col. John Glenn endorsing the scouting program.

Special citations from Gov. Kerner and district "Door Knob" plaques were presented by Council Commissioner Rollin Henn and Uniwah District Chairman Allen Jesse to Cub Packs 2, 12, 86 and 144 and Scout Troops 3, 6, 8, 12, 13, 15, 18 and 41.

The awards were for activities in the recent "Open the Door for More" program. Activities Chairman Leo Kalpas described the scout, leader and unit "A-Ok" awards to be presented to those who earn them during the September-December recruiting campaign.

More than half the scout units in the Quad-Cities were represented at the meeting, with District Commissioner Bernard Miller Jr. in charge.

GC Kiwanis Unanimously Support City Drainage Program

The Kiwanis Club of Granite City is among the most recent local organizations to endorse the pollution abatement - drainage bond issue election.

At the best attended meeting of the club this year, the Kiwanians unanimously approved the measure Monday night after hearing an address by G. W. Hoelscher, chairman of the Citizens Sewer, Drainage and Pollution Abatement Committee; attorney William Beatty; and engineer Edward N. Junesau. Twenty-seven persons were present.

Hoelscher traced the activities of the Citizens Sewer, Drainage and Pollution Abatement Committee since it was set up originally five years ago to work out a plan with Madison and Venice. No agreement could be reached, he said, and the committee was discharged. It was returned about the time the federal government came out with its overall pollution abatement program for the Mississippi River.

Home Rule—Set Own Rates
"We want home rule. We want to set our own rates and say

how big our treatment plant is to be," said Hoelscher. He outlined the difficulty that would be encountered in doing the job through the Levee Board.

The treatment plant would cost more, he said, and people in other areas of the levee district would vote against a program for Granite City, just as Granite Cityans would vote against spending money in other areas of the district.

"If we're going to progress and be a healthy community, we'd better pass this bond issue," he said. He pointed out the recent prevalence of encephalitis (sleeping sickness) in Florida. "Mosquitoes breed in open water that is laying around. The water is disease-laden and if sleeping sickness could happen here."

After brief remarks from Junesau, Beatty was next to speak. Beatty stated that Granite City will be forced to build a treatment plant whether or not the bond proposal passes. "The federal government and state

Sanitary Water Board will make us do it. And I don't mean years from now, I mean they will take action within months," he said.

He pointed out the need for sanitary sewers in the North Granite area, storm sewers for the city, and widening, paving and fencing of the Namoleki ditch.

"This program is not something that we should do or 'would be nice' to do—it's something we have to do."

He said that of the hundreds of thousands of Illinois people living along the Mississippi and Illinois rivers, only 3% of them put untreated sewage into the rivers.

"And we comprise 80% of that 3%," he said.

Needed Years Ago
"What we will be doing is

something we should have done years ago. It's the sort of thing they are doing now even in the backwoods sections of Europe."

"A beautiful bathroom with its tile and shiny faucets is one of the status symbols of American life," he said. "But just follow the system down to our basements and to our sewers and we breathe it."

"When Granite City floods, it is not water on the streets. It's sewage, diluted a little bit, but it dries, the germ-laden dust blows into our houses and we breathe it."

Beatty predicted that within a week or 10 days after passage of the \$10,000,000 bonding proposal the state would lift the order prohibiting extensions to Granite City sewers.

Area SIU Students Don't Follow Parents' Footsteps

Are college students chips off the old block? Apparently not, according to a study made by Southern Illinois University instructor Norman Showers.

Showers, a member of the Education Division at the SIU Southwestern Campus, recently completed a survey at the Alton and East St. Louis centers to determine how many students were planning to work in a similar job area as their parents.

Based on questionnaires returned, other findings of the survey showed the Business and Education divisions having the largest number of majors. The other four major areas at SIU's Edwardsville Campus are Fine Arts, Humanities, Science and Technology and Social Sciences.

Comparison between the SIU centers revealed that the percentage of majors in each division was very similar. The same comparison was noted with reference to the number of students who answered the questionnaire in each division.

The Business Division had the largest percentage of students who were first in their family to attend college; more men than women were first to attend. However, in listing the chief influence in the student's decision to seek higher education, one or both parents was given.

Roughly half of the students indicated that they would not have been financially able to attend college away from home and that they would have had to forego university training if higher education facilities had not been available locally.

Nurse Education Program To Be Resumed Tonight

Dr. Ferris Pitts Jr. will open the third series of the continuing education program for nurses this evening at St. Elizabeth Hospital with a lecture on child psychology. The program will begin at 7:15 and will be held in the hospital cafeteria. All area nurses are invited to attend.

Your family dentist guards your physical health

Your family lawyer can guard your legal health

If you're fond of your teeth, you and your family probably visit your dentist every six months. But how often do you visit your lawyer? Like a cavity, a legal problem often has a way of going undetected until a sharp pain—perhaps a lawsuit or a claim made against the title to your property—brings it to your attention. You probably don't need a six-month legal checkup, but even the simplest contract, tax problem or lease deserves consideration by your family lawyer. And when you buy a home or other property, your lawyer's counsel will protect your interests at every stage of the transaction. One means of protection he may often suggest is a title insurance policy of Chicago Title and Trust Company—available locally from our representative in your county. Such policies have been protecting the titles of Illinois home owners for 113 years.

State Sanitary Water Board Watching Oct. 2 Election Here

The state is keeping an eye on Granite City. "They're watching the result of the Oct. 2 election," G. W. Hoelscher, chairman of the Citizens Sewer, Drainage and Pollution Abatement Committee, told members of the Bellemore Civic Improvement Association.

And members of the association expressed concern over the action which could be taken by the State Sanitary Water Board should Granite City fail to proceed with pollution abatement.

Hoelscher read a letter from C. W. Klassen, technical secretary for the Sanitary Water Board, in which it was stated the board can issue an order directing the discontinuance of the discharge of waste into the Mississippi River.

\$200 Daily Fine For City

"If, for example, the municipality does not take action and violates the order of the board," the letter states, "penalties can then be invoked. Among other penalties, this involves a fine of \$200 for the first day and \$200 for each succeeding day that the order is violated."

V. A. Harolan, president of the group, said further study of the program would be made at a meeting to be set later this month.

Hoelscher, aided by former city attorney William Beatty and the project engineer, Edw. J. Nease, explained the Citizens Committee program calls for a \$1,225,000 sewage treatment plant that complies with state requirements and will serve the city for years to come.

A treatment plant to handle the combined sanitary and storm water sewage of the city would cost nearly \$3,000,000 to build

and \$130,000 a year to operate. The citizens plan, it was explained, calls for separation of the storm water from the sanitary sewage, with the storm water to be diverted to Horseshoe Lake or flow to the river through separate lines.

The sanitary sewage would be intercepted with an interceptor sewer line, and through elimination of storm water, the cost of a sewage treatment plant could be cut to \$1,225,000 with the annual operating expense at \$60,000, or \$70,000 less a year.

Answering questions by the 19 members of the association, the Citizens group pointed out the city legally could widen, pave and fence the Nameoki storm water drainage ditch to more than double its capacity.

"We're hoping that the levee district will do it, since it owns

the ditch, but in case they don't we have the funds in the bond issue to do the job," Beatty explained.

He also emphasized the \$3.25 average minimum monthly cost for the \$10,000,000 revenue bond issue would result in a minimum added charge of 75 cents a month to Nameoki area residents who are now paying a \$2.50 monthly charge for sanitary sewers.

"Your cost per month will be \$3.25, the same minimum fee to be paid by other Granite Cityans." The fee on the revenue bond issue for drainage and pollution abatement is based on water usage during winter months. It is estimated 80 to 85% of the monthly charges will be at the minimum rate.

At the conclusion of the meeting, Hoelscher distributed fact sheets and bumper stickers to the association members.

Continued participation in the Madison county psychological services program was approved. Psychological tests are required by the state before students can be admitted to special education classes.

Of the \$13,467 county cost last year, \$3,094 was paid by the Granite City district, which received 23% of the psychologist's time, it was reported. Estimated total county cost for 1962-63 is \$13,000.

Granite City schools are conducting five special classes this fall—one primary educable mentally handicapped group, two intermediate EMEI classes, one junior high EMH group and one trainable class.

Official state recognition of the district for the 1961-62 year was announced, based on the administrators' annual report, the county's recommendation and conditions found in the last state visitation.

Approve Hiring Of 4C Teachers

Approval of four as teachers for the 1962-63 year was approved by the Granite City board of education Tuesday night.

Included were two elementary school teachers, Beverly Dean Pittman, Pevely, Mo., bachelor degree from Colorado State and 18 years of teaching experience; and Miss Mary Ann Wiseman, Clarksville, W. Va., Shurtleff College bachelor degree and five years of experience.

Fred R. Conrad Jr., University City, Mo., Indiana State master degree and 10 years, will teach English at Granite City high school and Cyrus F. St. Clair, St. Louis, 1962 bachelor degree

from Washington University, will teach mathematics at Coolidge junior high school.

The board decided for 1962-63 the leave of absence of Mrs. Marvel Clover, a cafeteria employee. Illness was cited in the request.

Supt. Harold M. Kaiser, Administrative Assistant Victor Anderson and a board member to be named were authorized to go to Dallas, Tex., Oct. 16-19 for the annual national meeting of the National Business Officials Insurance, purchasing, supply management, accounting and finance will be among the topics studied.

The board approved a list of 17 to be called as substitute custodians in the order of their application dates.

Dr. Kaiser reported that ideas on cost-cutting and improvement of operations are being sought from school custodians, who are to be recognized for outstanding suggestions.

GO TO CHURCH SUNDAY

Weekend Locations For Registration Of Voters

Voters may register Friday from 10 a.m. to 8 p.m. at Pooton Beach Recreation in Nameoki township. The location is one of several where deputy registrars will be on duty at convenient locations to register voters for the Nov. 6 general elections.

Other locations for this weekend are West Granite fire station, 2600 Cayuga street, from 10 a.m. to 5 p.m. Saturday; Tri-City grocery on Broadway in Venice from noon to 6 p.m. Saturday; and Hairston's confectionery, Eagle Park Acres, from noon to 8 p.m. Saturday.

The Big Test

Don't let fear of failure deter you—it is an obstacle we all must face in attaining success.

NEED GUTTER REPAIRS? CALL DOUGLAS, TR. 6-3088.

Rites In California For Mrs. Beuna Yeager Nix

Funeral services were conducted today in California for Mrs. Beuna Yeager Nix, 68, former Granite City resident who died Tuesday morning at a Long Beach hospital after a long illness. Interment was in a San Diego cemetery.

Mrs. Nix was well known here as the former Mrs. Hugh Yeager. She moved from Granite City to California in 1935 after the death of Mr. Yeager, who was formerly an active member of the First Baptist Church here.

Surviving are her husband, Stanley; a sister, Mrs. Verdie Weiss of Wood River, former Granite City teacher; and a nephew, Ernest Stanton, formerly of Granite City. Mrs. Weiss left for California by plane Tuesday evening to attend the funeral.

Mrs. Nix was preceded in death by a son, Hugh Yeager Jr. He was lost on a mission while serving with the Army Air Force in world war II.

FAMILY GATHERING—Mr. and Mrs. John Evangeloff of 1223 Iowa street, Madison, returned Tuesday from a three-month visit to Yugoslavia to see two of their children and their families. In rear row (left to right) are their son-in-law Dimitar Povevski, his wife, Tina Evangeloff Povevski; a daughter-in-law, Mrs. Christo Evangeloff, Mrs. John Evangeloff, son Christo Evangeloff, Mr. Evangeloff and grandson James Kostoff Jr., of Madison, who accompanied them. In front (left to right) are their younger descendants, Nickie Evangeloff, Donna Povevski, Kiratza Evangeloff, Bella Povevski, Gofa Povevski and Kiratza Povevski.

Madison Residents Back From Trip To Yugoslavia

Three Madison residents returned Tuesday from a three-month trip to Skopje, Yugoslavia. Mr. and Mrs. John Evangeloff of 1223 Iowa street, Madison, visited a son and daughter, Victoria, leaving behind a daughter, Tina, and son, Christo.

When the war came to Greece these remaining left with their families. The son ended up in Czechoslovakia and the daughter in Yugoslavia.

Mrs. Evangeloff visited her daughter's family in 1955. At that time she was unable to see her son. On a second visit in 1957 the son was able to visit her in Yugoslavia on a temporary visa.

This time he had just received permission to move to Yugoslavia permanently with his family.

Families Able To Converse

By now there are several grandchildren and one great-grandchild. But even though the grandchildren were born in Yugoslavia, Czechoslovakia and America, and the older members of the family in Greece, there was no difficulty in conversing.

No Substitute

Used appliances often turn out to be bargains, but experience is never a good second-hand buy.

There's nothing wrong if your opinions differ with others—it's positive proof that you do your own thinking.

All speak Macedonian fluently, so that even the young children had no difficulty understanding each other.

While in Yugoslavia the Evangeloffs visited some of the country's famous tourist resorts where they swam and fished.

The Evangeloffs and their grandson made the trip by airplane.

Evangeloff is retired from the Madison sanitation department.

Civic League To Sponsor 'Youth Forum' Sept. 21st

A student youth forum panel discussion is to be presented at the YMCA Sept. 21 under the sponsorship of the Granite City Civic League.

League President Dr. Leo M. Coleman, local dentist, said the purpose is to promote and encourage the individual citizen's interest and participation in all areas of government, community problems and civic affairs.

The program, to start at 7:30 p.m., will be moderated by a Southern Illinois University student, Jeff Chaboudie. The members will be two Granite City high school seniors, Norma Rivenburgh and Kathy Orris, and two college students, Pat Schuman, a sophomore at SIU's Argon center, and Norman Kinder Jr., who attends St. Louis University School of Law.

A special guest will be Dr.

Kurt Glasser, associate professor of government at SIU. He will answer questions from the panel and from the audience. "Dr. Glasser is a graduate of Harvard University with an AB, MA and PhD in Economics and Government," Dr. Coleman added. "He is a well known author and lecturer and has served as coordinator and principal lecturer of the 'Dynamic Citizenship Program' conducted by the St. Louis YMCA," Dr. Coleman added.

"The League is happy to sponsor the 'Youth Forum' not only as a fine feature of entertainment, but as a public service to our community," the league president told the Press-Record. The meeting is open to the public and there is no charge for admission. A social hour will follow the program, and there will be refreshments and dancing.

Meat Prices Here Up 5-12 Cents; Holdout Blamed

Meat prices in the Quad-Cities this week are from a nickel to 12 cents a pound higher in most stores, primarily as a result of an increase in prices from livestock buyers.

The price increase began after members of the National Farmers Organization began withholding their livestock from the market last week in an effort to increase the market price.

Jon Tarpo of Tarpo Packing Co. said Tuesday the price of beef from National Stockyards had risen about five cents a pound since the NFO holdout began.

"There is an ample supply of meat," Tarpo said. "Our plant is still operating 10 hours a day."

Loosing Ground He said he felt the holdout was losing its effectiveness, with cattle sales to the markets picking up considerably this week. "Unfortunately, some of the people got a little scared and prices went wild for a while," Tarpo said. He said one large packer had meat priced as much as three cents a pound higher than his own firm.

"This is really unusual in this competitive business," the packing firm spokesman said. "Packers' prices usually vary no more than a half-cent a pound."

One independent grocer said the price of pork has risen as much as 13 cents a pound this week. He said beef prices also appeared to be on the rise, although he could not quote precise figures.

Chain Costs Up A chain store buyer here said his cost of some pork cuts has climbed as much as 10 to 12 cents a pound in the past two weeks. He said beef prices have risen to seven cents. His firm also buys from National Stockyards.

The NFO holdout began after the Labor Day weekend, with livestock receipts at some mid-west markets down as much as 45% last week. Retail meat prices have risen as much as 15 cents a pound for some cuts since the holdout began.

Oren L. Staley, NFO president, has called the price rise unjustified. He has asked Con-

Service Stressed In Talk Here By Rotary Governor

In Granite City to meet with officers of the Rotary Club, J. K. Jukes, Rotary governor of this area, Tuesday addressed the club at its meeting in the YMCA. A savings and loan officer of Collinsville, he spoke of the internationality of the Rotary organization and the contributions Rotarians everywhere are making to the advancement of world understanding and good will.

"Rotarians in more than 11,200 communities on six continents," he said, "are helping to draw nations closer together through their efforts to build understanding among men of different creeds and colors."

"They are also at work in the area of public opinion, helping to shape it on important world issues by providing information on which sound decisions can be made."

Jukes emphasized the importance of the individual Rotarian to the global program of Rotary. "This year," he reminded the Granite City Rotarians, "we are urged by our international president, Nishit C. Lahary of Calcutta, India, to develop to the fullest our own personal and professional fellowship and for personal service."

"President Lahary believes that by 'kindling the spark within,' we take the first step toward releasing the latent power in each of us to be of service to others," Gerald Broadway is president of the Granite City club.

Speaking of the work of Rotary clubs in international affairs, Jukes commended the efforts for its support of the Rotary Foundation, which awards fellowships to graduate students from all countries other than their own. Since 1947, Rotary International has awarded nearly 1600 Rotary Foundation Fellowships at a cost of more than \$4,000,000, with the grants averaging \$2,700. The contributions of Rotary clubs make the awards possible.

Receipts at National Stockyards, down last week, have been near normal this week.

YMCA DANCING LESSONS are available not only to the youngsters, but to pupils "five to 105 years of age." Current plans call for year-around classes for beginners, intermediates and advanced dancing students. Instruction is offered in all types of dancing.

Dancing Instruction Available At YMCA

Dancing lessons for pupils "five to 105 years of age" are now offered by the YMCA, according to C. A. MacMillan, secretary.

MacMillan said present plans call for classes to continue on a year-around basis. Instruction is offered in social ballroom dancing, tap dancing and ballet and social dancing.

Classes are conducted for beginners, intermediates and advanced dancers. Professional instructors are provided at a reasonable cost to the student, MacMillan said.

"They are also at work in the area of public opinion, helping to shape it on important world issues by providing information on which sound decisions can be made."

Further information on dancing classes is available from the YMCA.

Economics Course To Include Watching TV

Television and classroom study will be combined in a University of Illinois extension graduate course conducted this fall in Park Ridge, and Urbana and East St. Louis, the latter open to Quad-Cities. The course, "Workshop in Curriculum Development: Economic Education," will be conducted in connection with the College of the Air series, "The American Economy."

Teachers and other eligible students enrolling for one graduate unit of credit in Education E-459 will watch the daily half-hour television course, and also will be required to attend eight evening classes (instead of the 16 usually required in an extension credit course), and take examinations.

It will be aimed primarily at giving teachers and classroom administrators basic knowledge of the American economy, and exploring how this understanding can be worked into various courses in school curricula.

Prof. Lewis Wagner, U. of I. department of economics, will instruct the classes in all three communities. The local section will meet at 7 p.m. every other Tuesday, beginning Sept. 18, in

Blasco Club Receives State Corp. Charter

A new non-profit corporation charter has been issued to the Blasco Club, an organization of Granite City Steel Co. blast furnace department workers.

Secretary of State Charles F. Carpentier in announcing the charter, said club officials are David Hill, Edwin Murphy and Frank Kunich.

A benevolent and social organization, the club had been chartered previously and has been reorganized.

Room 119, East St. Louis senior high school.

Registration will be conducted at the first meeting of each class. Tuition is \$36.

WHAT IS AN INTERNIST?

Answer — A physician specializing in the diagnosis and treatment of disorders affecting the inside of the body. Sometimes the symptoms of an illness can be almost the same for different diseases. Then, your family doctor may wish the opinion of an internist to confirm or help him make the proper diagnosis.

It illustrates why it is seldom wise for people to attempt to diagnose or treat themselves. You are safer when you consult your physician.

YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people entrust us with their prescriptions. May we compound yours?

14,264 Daily Average, 442,196 Total

Venice Bridge Traffic In August Breaks All Records

McKinley Bridge traffic smashed all records in August, soaring to 442,196 crossings for a 14,264 daily average, records of Bridge Manager Henry McMullen showed this week.

The record-setting 442,196 tabulation on the Venice-owned river span included 98,149 vehicles in the first week of August, 98,585 on Aug. 8-14, 97,854 on Aug. 15-21, 99,522 on Aug. 22-28 and 48,086 for the last three days of the month.

Traffic in the fourth week of August topped the previous one week high of 99,319 on July 22-28 of this year. August's 48,086 listing was the highest for the final three days of any month. August's grand total of 442,196

196 tops the previous high by more than 23,000. There were 418,006 bridge crossings in May. The May daily average was 13,868.

The new record daily average of 14,264 topples a mark of 13,736 achieved in June, when the 30-day total was 410,099. July figures were 416,539 and 13,436.

A comparison of traffic with previous Augusts shows 38,857 in August 1961, 346,302 in August 1960 and 327,208 in August 1959.

Antique Special Assessment System Revived In Illinois

An antique system of paying for municipal improvements, the special assessment, is making a strong comeback in America according to William Winter, head of Southern Illinois University's Bureau of Public Affairs Research.

Winter says special assessment financing, which suffered disrepute after the market crash and depression years of the 30's, is coming back strong as demand for public services has forced local administrators to seek new ways of raising revenue. First used in 15th century England, the special assessment is a levy against property benefited by improvements and is based on the principle that if you derive something from a public service you should pay for it.

Granite City PRESS-RECORD
Page 44 Thurs., Sept. 13, 1962

Although lagging behind many other states in amount of special assessments, Illinois is finding increased acceptance of these programs. Winter says, according to William Winter, head of Southern Illinois University's Bureau of Public Affairs Research, the state to move their \$29 million this year.

One example of an Illinois city relying heavily on special assessments, Illinois is finding increased acceptance of these programs. Winter says, according to William Winter, head of Southern Illinois University's Bureau of Public Affairs Research, the state to move their \$29 million this year.

Herman, like Winter earlier in a pamphlet on "The Special Assessment in Illinois," cites the state's 65-year old Special Assessment Act as a drawback to more widespread use of the money-raising method in Illinois.

Winter says the statute is "unnecessarily complex" and does not permit cities to back special assessment bonds with their own faith and credit, which allows towns in other states to tie on general obligation features, pay contractors from revolving funds while work is going on, then issue readily salable general obligation bonds at the projects' completion.

Another unattractive aspect of Illinois law is a detailed requirement for payment that puts most of the collection burden on the contractors. If full cash isn't available, contractors get vouchers from the city treasurer, which they then must try and sell to banks of exchange, finally, for bonds issued against the installment payments of residents affected by the assessments.

Winter says still another weakness of Illinois' law is that it doesn't provide for such re-

NEW MADISON HOMES under construction include this three-bedroom, brick veneer dwelling at Elizabeth street and McCambridge avenue. Structures are being erected by Leo Wolf Co.

Collision On Edison Aves.

Autos driven by Alma Chapman, 36, of 4110 Kirkpatrick Homes, and Walter Sons, 76, of 2504 Grand avenue, were involved in a traffic accident Tuesday at 12:30 p.m. Police said she was driving north on Edison avenue at 20th street, while Sons was backing up.

cent types of city improvement as off-street parking and neighborhood parks.

Herman admits that Oak town is ahead of most Illinois communities in its special assessment program, largely because of internal housekeeping and strict administrative procedures which have encouraged bidding for the city's bonds and subsequently given it a good reputation in the marketplace. But he says that statewide "there is a reluctance to invest in special assessment bonds because it is almost impossible for the bondholder to force payment in cases of delinquency," Herman, like Winter, thinks the best legal improvement would be a statutory revision allowing cities to issue "special-general" bonds—bonds which are obligations of the city and affected property owners.

Herman says "increasing use of special assessments will put pressure on state legislators to consider statutory changes giving municipalities more economical and efficient management of special assessments."

Drainage Pollution To End In Mitchell

Residents of Margaret and Chouteau streets in the Brooks Addition, Mitchell, are being notified to disconnect all sewage and drainage lines now draining into an open ditch no later than Oct. 1, after which legal action will be taken.

Ernest Brooks, real estate developer, said only a very few of the homeowners still have such sewage and drainage lines. All the residents have been notified by the state health department that such connections are illegal, he said.

Sewage and drain water from such connections flow into an open drainage ditch which empties into a slough south of By Pass 66-40. Brooks said it not only presents a health hazard to present residents, but makes the adjacent area unsalable.

"I know most of the homeowners have installed septic tanks," he said, "but we have no way of knowing which ones have not. As a result, we have to notify everyone."

Brooks said streets and culverts have been installed for a new development east of Springfield street, with erection of houses to begin early next year. He said site of the new development is directly affected by the open drainage ditch pollution.

20-30 Home Project Possible In Madison

Three new homes are now under construction on Elizabeth street at McCambridge avenue, Madison, with prospects for erection of 20 to 30 more.

A spokesman for builder Leo Wolf and the Bloodworth Agency, sales agents, said the three houses presently under construction are to be finished within six weeks.

"We have space in the adjacent area for 20 or 30 more houses," he said, "and present prospects for their construction looks good."

Those units now under construction are to be three-bedroom, of brick veneer exterior finish. They will feature full concrete basements, ceramic tiled baths, plaster walls, hardwood floors and aluminum windows.

Attached carports will contain added storage space, and each house is being constructed with marble sills. They are planned for installation of gas heat.

All are in the \$16,000 price range. The Wolf firm recently finished two duplex units on McCambridge, near the present construction site, and another development near McCambridge and Plum street. These also are handled by the Bloodworth Agency.

Optimist Club Learns How To Improve Game

A program on how to improve bowling ability was given Monday at the Twilight Optimist club meeting. Jack Jachino of Bowland Lanes was the speaker. He is a member of the club.

He showed slides, which he narrated. The program was one part of a five-part series on bowling, which covers juniors, seniors, women and men. He said the series is available to any organization and that interested persons may contact him at Bowland. Each part is 15 minutes in length.

The club met at the Rose Bowl restaurant. It will meet there again at 6:30 p.m. Sept. 24.

Airman Richards Assigned To Amarillo AFB, Tex.

Airman Basic Freeway D. Richards, son of Mrs. Myrtle M. Phillips of 2125 Washington avenue, is being reassigned to Amarillo AFB, Tex., for technical training as a United States Air Force aircraft maintenance specialist.

Airman Richards, who completed the first phase of his military training, was selected for the specialized course on the basis of his interests and aptitudes.

The airman is a former student at Granite City high school.

Tip To Parents
Learn to understand your children—it is the most important phase of child management.

3 To Attend State Savings And Loan League Meeting

Three officials from local savings and loan firms will attend the 33rd annual convention of the Illinois Savings and Loan League Monday through Thursday at Chicago.

They are A. H. Froemling, Madison County Federal Savings & Loan Association, and D. F. Little and Robert E. Backs of State Loan & Savings Association.

The three-day meeting will mark a record year in which total resources of Illinois savings and loan associations passed the \$84-billion mark, according to league President Guy Wood Jr., Mt. Vernon. The program will feature addresses by savings and loan leaders, economists, tax attorneys and accountants.

LampHoller "Luminor" lamp.
Regular price \$11.98
NOW ONLY \$9.95

Young eyes need good light to help them with their homework. We have chosen three handsome study lamps and drastically reduced the price for this special sale. Each lamp is a scientifically designed "better light—better sight" study lamp with a metal reflector and glass diffuser bowl to eliminate eyestrain and fatigue. Ample, glare-free light, with higher light-levels than ever before. Ideal for homework and study.

Be sure you see these study lamps at our office before school starts.

ILLINOIS POWER COMPANY

SOCIETY

LEAVES FOR SCHOOL

Miss Gay Mueller, a daughter of Mr. and Mrs. A. J. Mueller Jr., 1527 Lindell blvd., left this week for Columbia, Mo., where she is enrolled in the School of Liberal Arts at the University of Missouri. A June 1962 graduate of the Granite City high school, Miss Mueller was second attendant to the May Queen.

ENROLLS AT NORMAL

Miss Ellen Ruth Skinner, a daughter of Mrs. William Skinner, 2929 Pontoon road, has enrolled at Illinois State Normal University in Normal for the fall term. She will major in special education.

Consult

Jim Henderson

About this question:

"We have six or seven insurance policies to cover our office property both real and personal... our public liability... medical payments... earnings protection. Does the Lueders Agency have the new OFFICE MURDER-PIPERIL Policy that combines all these separate coverages in one convenient 'package' policy?"

LATE SUMMER BRIDE. Mrs. James J. Jeffries, who was married last week at St. Paul's Methodist Church in East St. Louis. A daughter of Mr. and Mrs. Willard P. Hall, the bride is the former Kathryn Lynn Hall.

ENROLLED AT

OKLAHOMA U.

Miss Joan Fryntko, a June graduate of the Granite City high school, has enrolled in the School of Fine Arts at the University of Oklahoma in Norman. She has pledged Kappa Kappa Gamma sorority. A daughter of Mr. and Mrs. John Fryntko, 3113 Ash avenue, Miss Fryntko served as first attendant to the May Queen and was Teen Town queen in 1962.

FREE TOY LITERATURE AT HOLIDAY SERVICE.

Past Matrons Club Plans Event

Mrs. Golda Beiser, 33 Oaklawn drive, was hostess to the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, Monday evening.

Twenty-two were present, including the worthy matron of the chapter Mrs. Karmyn Edmonds, and the associate matron, Mrs. Hulda Griffiths. Mrs. Blanche Leichter, president, conducted the business session, during which plans were made for a past matrons and past patrons night in connection with the Oct. 12 meeting, and the remainder of the evening was spent at cards. The special award went to Mrs. Virginia John. Others to whom prizes were given were Mrs. Tena Neunreiter, Mrs. Sophie Barney, and Mrs. Florence Spahr. Mrs. Beiser served refreshments after the meeting, the first of the season.

FOR COMPLETE WEDDING PHOTOGRAPHIC SERVICE CALL LAZENBY, TR. 6-2978.

Eagles Auxiliary Group Luncheon

Mrs. Mary Hart, 2308 Madison avenue, was hostess to the Past Presidents Club of the Eagles Auxiliary 1126 Monday evening at her home.

Games followed a business discussion conducted by the president, Mrs. Elizabeth Novosich, and prizes were awarded to Mrs. Hazel Pierson, Mrs. Viola Carey and Mrs. Mary Korcos.

Others present to whom a buffet luncheon was served were Mrs. Cora Hettick, Mrs. Ann Hershey, Mrs. Helen Presley, Mrs. Lela Schroeder, Mrs. Marguerite Vrenick and Mrs. Margaret Johnson.

Mrs. Hettick has invited the club to her home in Caseyville for the Oct. 8 meeting.

Barbecue Supper For Central CMF

The Christian Men's Fellowship of Central Christian Church held a monthly meeting Monday evening at the church, 2020 Johnson road.

A barbecue supper at 6:30 prepared by Walter Hundley was highlight of the meeting and a short business session followed.

Charles Youngs, president, was in charge and guest speaker was Steve Jones, assistant principal at the Granite City high school, who discussed "Emphasis of Christianity and Education As A Way of Combating Communism."

Twenty-four members of the group attended the meeting.

ENTERS ELMHURST COLLEGE

James R. Harsh, son of Mr. and Mrs. John Harsh, 2261 Lynch avenue, left early this week for Elmhurst, Ill., where he will begin his freshman year in the pre-medical school. He is a June Graduate of the Granite City high school. Mr. and Mrs. Harsh accompanied their son and spent several days in Elmhurst with relatives.

ATTEND FAMILY REUNION

Mr. and Mrs. Elzie Sheppard, 2133 East 24th street, with their son and daughter-in-law, Mr. and Mrs. A. W. Sheppard and Mrs. Elzie Sheppard returned recently from a vacation in Clearwater Beach and Marine Land, Fla. They were accompanied to the south by their son-in-law and daughter, Mr. and Mrs. Wayne R. Smith and their daughter, Kathy, of St. Louis county.

TRAVELERS RETURN

Mr. and Mrs. James Doyle, 2245 Washington avenue, have returned from a two and one-half weeks vacation in the northeastern states and the provinces of Canada. They toured the Gaspé area in Quebec, the Cabot Trail in Cape Breton Island, Nova Scotia and the Evangeline country which was the inspiration for the immortal poem "Evangeline," by Longfellow.

ENTERTAIN GUESTS

Dr. and Mrs. Stanley F. Maer, of 1204 Twenty-seventh street, entertained out-of-state guests over the weekend. They were Mr. and Mrs. J. R. Lutzker of Billings, Mont., aunt and uncle of Mrs. Maer, and Mr. and Mrs. Joseph Hersch of Las Vegas, Nev.

ENTERS RIFON COLLEGE

Daniel Ham, a son of Mr. and Mrs. Leonard Ham, 2036 Pontoon road, left today for Ripon, Wis., where he will enter Ripon College. A June graduate of the Granite City high school, he will major in biology. Mr. and Mrs. Ham, who accompanied their son to Wisconsin, plan to return Saturday.

ATTEN MISSIONARY RALLY Rev. and Mrs. J. T. Bryant of Trinity Methodist Church, with Mrs. Pearl Campbell and Mrs. Clara Dewey of Niedringhaus Memorial Methodist Church, attended a missionary rally at the First Methodist Church in Centralia Tuesday.

MR. AND MRS. DON WELBORN, who were married Saturday at First United Presbyterian Church. The bride is the former Billie Jane Andrews, a daughter of Mr. and Mrs. LeRoy Andrews, 2720 Iowa street.

FAC Class Starts New Season

The first fall meeting of the FAC class of St. Peter United Church of Christ was held Monday evening in the home of an out-of-town member, Miss Viola Janning, of St. Charles, Mo.

Ten were present, and a business discussion led by the president, Mrs. Freda Bennington, was followed by cards. Prizes went to Mrs. Thelma Markgraf, Mrs. Marie Whittle, Mrs. Virginia McLester, Miss Thelma Weissenborn and Mrs. Bennington.

Refreshments were served by Miss Janning and plans were made to meet again Oct. 9 with Mrs. Gladys Kadar on State street.

COTERIE WILL RESUME

The Ladies Coterie, Granite City's oldest federated club, will open the 1962-63 season with a meeting Thursday afternoon, Sept. 20, in the home of Mrs. Irvin Rodemeyer, 2519 Edison avenue. Mrs. Rex Anderson, president, will be in charge.

BAY VIEW CLUB WILL OPEN SEASON

The Bay View Reading club will open the 1962-63 season with a meeting the afternoon of Thursday, Sept. 27, in the home of the president, Mrs. Arthur F. Buente, 2626 Edison avenue.

The topic for study this year will be "Leaders of World Trouble Spots" and the first program will consist of a book review by Mrs. A. E. Krumholz.

LEAVES FOR BOSTON

Seaman John Franklin Welsh, a son of Mr. and Mrs. Walsh, 2817 Palmer avenue, who has been serving as a ceremonial guard aboard the U.S.S. Constitution, "Old Ironsides," in the Boston Harbor, left this week after a leave at home. He will have a new assignment aboard the S.S. Nitro, an ammunition ship, in Rhode Island.

MEMBER GRANITE CITY REAL ESTATE BOARD

Now is the time to buy! There is no wiser investment than real estate! Do as the Romans did! Own your own home! Listed below are just a few of the homes we have to offer.

BRAND NEW 3 bedroom bricks with 1 1/2 baths, garage, carpet, basement, intercom radios, built to your specifications — ranging from \$14,900 to \$17,500. These homes are located on large lots on the edge of town where the taxes are low. Call about these new ones today!

SACRIFICE — Drive by 3712 Johnson Road. Owner is sacrificing house for low \$16,900. Replacement cost would be \$3500 more. Home has 3 large bedrooms, living, kitchen, bath, full basement, radiant heat, 2 car garage, fenced rear yard, barbecue pit, storm windows and a host of other extras. Located close to churches and schools. Immaculate inside. Will pay you to look at this home. Remember, only \$16,900.

2281 MADISON — Commercial property, 3 bedrooms, living room, kitchen, basement, garage. Ideal location for office. Full price \$7500.

1981 MITCHELL — \$3500 down, FHA terms. 3 bedroom, living, kitchen, utility room, garage, aluminum siding. Very neat condition. \$10,750.

ROUTE 3, Old Alton Road — Edge of town living. 3 bedroom, 1 1/2 baths, all built-in kitchen, car garage, lot 150 x 150. Will consider trade. Full price \$21,500.

BOX 121 — PATRICIA AVENUE, Sunnydel Acres — 3 bedroom brick, attached garage, built-in oven and range, gas heat, full basement. Lot 90 x 130. Will trade for older home. Immediate occupancy, keys in our office.

5610 PROBST — 2 bedroom, living room, kitchen and family room, built-in oven and range, 2 car garage, partial basement, low taxes, ideal neighborhood. Asking \$10,500.

2177 ROBERT — Will try \$50,000 down, \$55.00 per month. Immediate occupancy on this 3 bedroom, living, kitchen, gas heat. Close to schools. Corner lot.

1017 COURTNEY — Looking for low monthly payments? Assume 4 1/2% G. I. loan. Payments \$36.00 per month. 2 bedroom, living, kitchen, gas heat. Edge of town. Low, low taxes. Immediate occupancy.

WE NEED MORE LISTINGS!

2232 E. 24TH — 4 rooms and bath down, 4 rooms and bath up, with \$160.00 per month income. All newly redecorated. \$10,500.

2016 FAITH — Here's a new 2 bedroom brick with basement, rathskeller, carport, garbage disposal, attic fan and a host of extras you have to see to appreciate. Selling for \$13,500. See this one right away!

CONTRACT FOR DEED: We have several homes 2 and 3 bedrooms — that can be sold on a contract basis. Call about these.

\$350.00 DOWN and \$73.00 per month. Brand new 3 bedroom, all-aluminum home. Extra large master bedroom, kitchen, full bathroom. Includes closing costs. \$73.00 payment includes taxes and insurance.

VETERANS: Immediate occupancy. We have some lovely 3 bedroom homes, with or without basements, that you can buy with no down payment, fast delivery. All you have to do is pay the closing costs. Close to all schools and churches.

2649 GRAND — Choice park living. If you are looking for a 2 bedroom home, with dining, kitchen, etc., it will be hard to beat this one for \$16,750. There are many extras; air conditioner, drapes, etc. See this one today.

MADISON PROPERTY: Interested in living in Madison? We have some choice 2 and 3 bedroom homes, newly acquired, that can be yours for as low as \$500 to \$1000 down and terms to suit!

2948 MARSHALL — Is going for only \$7250! This is a 2 bedroom home, with dining, kitchen, etc., it will be hard to beat this one for \$16,750. There are many extras; air conditioner, drapes, etc. See this one today.

WANTED: Large 4 bedroom home. We can assure a buyer within 24 hours, if anyone is interested in selling a home that is neat and well kept.

Card of Thanks 32

WE EXTEND grateful thanks
and heartfelt appreciation for
the loving kindness and sym-
pathy for the beautiful floral
tributes, received from our
recent bereavement of beloved
husband and father, F.O.M.E.
MARMION. A special thanks to
our pastor Rev. A.T. Creaven,
singer and piano, pulpitbearers,
Seidack Funeral Home and all
others who were so thoughtful
in our hours of sorrow.

MRS. LYDIA MARMION
MRS. AND MISS OLIVER
SCHAEFER
SHARON AND MARLA
32-9-13

WE WISH TO EXTEND our
deep gratitude to our friends,
relatives and neighbors for
their acts of love and sym-
pathy and for the beautiful floral
tributes during our recent be-
reavement in the loss of our
dear mother, mother-in-law, sis-
ter and grandmother, LIZZIE
FUFAL. Special thanks to Rev.
Surbey, the singer, organist,
pulpitbearers, Eugene A. Huns-
1126, and Mercer Funeral Home.
MR. AND MRS. DAWSON
WADE
MR. AND MRS. WALTER
RUWISCH
MR. AND MRS. ELLS
WORTH HUNTER
32-9-13

WE WISH TO EXTEND our
heartfelt thanks and apprecia-
tion for the acts of kindness,
messages of sympathy and beau-
tiful floral offerings received
from our many friends and rela-
tives in our sad bereavement in
the loss of our beloved husband,
father, father-in-law, grand-
father, brother, grandfather,
Special thanks to pulpitbearers,
Rev. Twietmeyer, Henry Am-
dr. Orpel and Silvermist, Ladies
of Concordia Lutheran Church
Dr. Orpel and Silvermist, and
Mercer Funeral Home.

In Memoriam 33

In memory of my dear hus-
band, ALEX, who passed away
away Aug. 31, 1958.
When all of the laughter is over
And the notes of our song fade
The sighs which I sigh are the
answers
To the things that my heart has
to say.
Gone from me is the someone
who mattered.
More than all else this life has
to give.
And I'm left alone to recapture
The sweet memories of yesterday.
For many memories are my only
company.
Sadly missed by wife Mary,
daughters Helen and Marlene,
Sons-in-law, grandchildren
and all who loved him.

32-9-13

CITY OF GRANITE CITY

SPECIAL ELECTION
IMPROVEMENT OF THE
SEWERAGE SYSTEM AND
THE ISSUANCE OF
SEWERAGE REVENUE
BONDS

NOTICE is hereby given to the
qualified voters of the City of
Granite City of Granite City,
Illinois that on

Tuesday, the 2nd day of
October, 1962,

a special election will be held in
said City for the purpose of au-
thorizing and approving the
issuance of the following propo-
sition:

PROPOSITION
Shall the sewerage system of
the City of Granite City, Illinois,
be improved, as provided in Or-
dinance No. 2028, passed on May
21, 1962, and published on May
24, 1962, and shall Sewerage
Revenue Bonds of the City be
issued in the amount of \$10,
000,000, bearing interest at the
rate of 5%, and maturing on

BIRTHDAY GUEST

Miss Sue Hogan, daughter of Mr. and Mrs. John Hogan, had Miss Ann Bickhaus as an over-night guest during the weekend to celebrate her 11th birthday. Cake, ice cream and a soft drink were served to Miss Hogan, Ann Bickhaus and the honoree's sister, Maureen, by her parents.

ATTEND WEDDING

Mr. and Mrs. Emil Damotte returned to Granite City during the weekend to attend the wedding of Miss Patricia Conner and Albert Newcome which was held at Calvary Baptist Church. While they were here, they visited with their parents, Mr.

and Mrs. Emil Damotte sr., 2301 Missouri avenue, and Mr. and Mrs. Sam Freley, 3184 Jill avenue.

They returned to their home in Rolla, Mo., Sunday night. Damotte is in his second year at the Missouri School of Mines, Rolla.

Those attending were Mr. and Mrs. Ted Sadraus, Mr. and Mrs. Jay Perkins and children, Crain, Cindy and Mark, Mrs. Rose Ruemmler and sons, Larry and John, Jeannette, the honoree's sister, and Mrs. Ann Lucas, Miss Cynarski's sponsor. Christine is a seventh grade student at St. Elizabeth school.

BRUNCIANS ANNOUNCE BIRTH OF DAUGHTER

Mr. and Mrs. Tom Brunck, 1527 Sixth street, are announcing the arrival of a baby daughter, Sept. 6, at the Lutheran Hospital. The Bruncks named their daughter Teresa Jean. She weighed seven pounds, one ounce.

Mr. and Mrs. Brunck have a son, Mark, two years of age. Grandparents are Mr. and Mrs. E. J. Miller and Mr. and Mrs. George Brunck, all of Madison.

PARENTS OF DAUGHTER

Mr. and Mrs. Robert Quinn are announcing the arrival of a daughter, Connie Irene, who weighed eight pounds, 13 ounces at birth Aug. 30. Mr. and Mrs. Quinn have two sons, Robert and David.

Ms. Quinn is the former Betty Powell, daughter of Mr. and Mrs. Roy Powell, who reside in Columbia, Ill., and are former residents of Madison.

Begin Recruit Training

Larry W. Melton, son of Mr. and Mrs. John W. Melton of 2802 West 20th street, began recruit training, recently, at the Naval Training Center, Great Lakes, Ill.

SIU Radio Station To Increase Coverage Area

A new transmitter which will broaden the coverage area of Southern Illinois University's campus radio station to include the Quad-Cities area will be in operation by Oct. 1. Julian Emien, chief engineer for the station, said a new \$7,000 watt transmitter for the FM station will stretch the Carbondale station's "strong signal" area to St. Louis on the north, into Indiana on the east and into Kentucky to the south.

The station, staffed mostly by students, plans full sports coverage of SIU home and away football and basketball games. Other programs will include broadcasts from the New York Metropolitan Opera House, nightly programs of classical music and broadcasts of various campus events.

Circuit Course Case Backlog Increases

Backlog of cases in the Madison county circuit court increased by 57 during August, according to a report from Willard V. Portell, circuit clerk. Portell said 1341 cases were pending at the beginning of the month, with 113 disposed of. A total of 170 new cases were filed during the month, he said. Of the 1968 cases pending at the end of August, 683 were jury cases and 1345 were non-jury cases.

Conservation Expert Is Speaker Here Wednesday

Final arrangements have been made by the Tri-Cities Chamber of Commerce Agriculture Committee for the 17th annual Agriculture-Business-Industry dinner to be held next Wednesday night at St. John United Church of Christ.

Invitations have been sent to 171 farmers in the area. They will be the guests of business men and industrial leaders.

Leonard Hall, well-known writer and lecturer in the field of conservation, will be the guest speaker.

He is a native Missourian who spent his boyhood in the Ozarks. Following service in the U. S. Navy in World War I, he studied agriculture and farmed for several years. He then engaged in business in St. Louis, but he never lost interest in the outdoors, natural history and the Missouri hill country. This led to the writing of numerous articles and finally to the country column which appears twice each week in a metropolitan daily newspaper.

As Hall's reader audience grew, so did the subject matter until it included nature, country life, farm problems, travel as it relates to land and people, resource conservation, wildlife lore, and the effort to preserve and restore the Ozarks. In 1946 he and his wife, Virginia, moved to the livestock farm at Caledonia in the hill country south of St. Louis where they now live.

Featured in National Magazines

The column has been widely reprinted throughout the United States, Canada, and abroad and in 1946 Life magazine featured it in a story. Hall became recognized in the national conservation movement, serving as director for St. Louis Farmers Club, Friends of the Land, Audubon Society and other groups. His writing has appeared in Harper's, the Reporter, the Land, Successful Farming, Wilderness Magazine, the Cooperative Consumer, Saturday Evening Post, and other publications.

Possum Trot Farm, the Ozark home of the Halls, has been restored to high fertility. Terraces, ponds, multifloral rose-fences, and pastures that carry a cow per acre have wrought a transformation recognized by farmers, wildlife men, and agricultural technicians.

Visitors come individually and in groups from many states while mail arrives at the rate of 2000 letters a year.

Recognition of Hall's work for conservation has come from Outdoor Life magazine, the American Association for Conservation Information, the Audubon Society, and others. He is one of Missouri's few major conservationists and has received an honorary doctor of laws from Westminster College. In 1960, Hall was given the first Thomas L. Stokes award as the American newspaper writer making the greatest contribution to conservation. In 1961, he was named trustee of the National Parks Association. As a speaker on natural history, wildlife and agricultural subjects he has talked at the North American Wildlife Conference, American Association for the Advancement of Science, American Institute for Cooperation, Nature Conservancy and many educational meetings and workshops.

For 12 years Hall lectured for National Audubon Society with special emphasis on ecology. With Mrs. Hall he has covered 250,000 miles in 40 states, Canada and the West Indies. Their films have been seen by Audubon groups, natural history museums and college and university audiences. Their last film, "An Ozark Anthology," has been shown to 150,000 people in 200 cities and towns. Photography, sound recordings, editing and narration are the work of the Halls. The film is a study in sound and color of life along an Ozark river. Recently the Halls have added nature films for television to their activities.

Hall has produced three books. "Possum Trot Farm" published in 1949, is now a collector's item. "Country Year" was brought out in 1956 by Harper & Brothers and features life at the Hall's farm. In 1959, the University of Chicago Press published "Stars Upstream," a narrative story about one of the most beautiful Ozark rivers, now in its second printing. A fourth book on the current state of conservation movement in America is in the planning stage.

Doors To Be Replaced At Two Grade Schools

Replacement of four pairs of deteriorated wooden doors at Maryville and Wilson grade schools with aluminum doors was authorized Tuesday night by the Granite City school board, which accepted a low bid of \$3224 from Ray Homola of Mitchell.

Locations are the west end of the corridor near the Maryville kindergarten, the west end of the south end of the Wilson addition.

Ordering of plumbing fixtures during 1962-63 from Ahrens & McCarron, St. Louis, and Independent Plumbing and Heating Supply Co., St. Louis, was authorized on the basis of low unit bids ranging from \$6 to \$26.

Three student recovery coaches, for use at Prather junior high and the Washington and Nameoki grade schools, were purchased for a total of \$135 on a low bid from Alce Division of Brunswick in St. Louis.

Fleischer-Seeger Construction Co., St. Louis, on its low bid of \$198, was authorized to perform brickwork for the Marshall school.

Bill Hasty 236.

Bids were opened on fuel oil, lighting supplies, library books and canned goods and were referred to the administrative staff for tabulation and recommendations.

Bills approved totaled \$16,568 for the education fund, \$35,729 from the building fund (including construction work on Coolidge Junior high and architectural work on the Mitchell and Nameoki grade schools) and \$3254 in new construction funds expended at Prather junior high.

GO TO CHURCH SUNDAY

2 Quad-Cityans Plead Guilty To Mail Charges

Special from Springfield

Two Quad-Cityans pleaded guilty Monday before U. S. District Judge Omar Poos at Springfield to charges involving mail frauds.

Abramson Pickett, 19, of 56 Lee Wright Homes, Venice, pleaded guilty to forging two postal money orders for \$10 each last January. He was placed on probation for three years.

Mrs. Gloria Lucille Clark, 28, of 2908 Buxton avenue, asked for probation on charges of stealing and cashing a \$12 check from the mail. Her request was taken under advisement pending a pre-sentence investigation of her background.

Pickett was placed on probation by the Madison county circuit court last May on burglary charges involving the incident in which money orders were taken.

Both he and Mrs. Clark were indicted by a federal grand jury in July.

High Cost
Thoughts of retaliation and revenge are always a liability, never an asset.

More Campus Activities For Local SIU Students

Extra participation in extra-curricular activities continues to grow at Southern Illinois University's Edwardsville Campus, according to Student Affairs Director Howard V. Davis.

In a written report on the school year which closed Aug. 31, Davis pointed out that despite the pull of home life and other obligations felt by the average commuting student, nine new student organizations were formed. Organizations at SIU Alton and East St. Louis centers now number 43.

Sponsored by the Social Senate, students at the Edwardsville Campus took part in more than 80 off-campus activities which varied from professional ball games to nights at the opera and from a hayride to a formal dance. On-campus social activities exceeded 180 and included such things as lectures, dramas, debates, and recitals.

Time For Reflection
Judges could prevent many highway accidents by being more liberal with reckless driver's time.

TELEPHONE TALK

SEPTEMBER ALREADY YES!

Yep, here it is September. For many little ones in the Quad-Cities it means the first day of school is at hand.

Which brings to mind a story I heard recently. Seems a young mother was patiently trying to teach her five-year-old daughter her address in preparation for her coming kindergarten debut.

After her daughter repeatedly omitted or forgot some portion of the correct address, the mother asked, "But what will you do when the teacher asks you where you live, Debbie?"

After a moment's hesitation, Debbie replied, "I'll tell Michael answer first, then I'll tell my teacher that I live across the street."

By golly, I'll bet Debbie does all right in school.

COOK'S BEST FRIEND

Judging from my wife's many activities, I know that a housewife is a mighty busy person. It would seem that she needs more than 24 hours a day to accomplish everything.

Although there's not much we can do about adding hours to her day, there is something the telephone company can do to help her get the most out of every available hour.

The answer is so obvious many people have probably overlooked it. Simply add a phone in the room where most of her activities are centered. . . in the room she runs the house from: in the kitchen.

When the phone rings she can reach, not run, to answer it.

It would help her to become better organized to run the house.

And last, but nearly as important, a kitchen phone adds a touch of color to brighten the room where she spends so much time. . . helps boost her spirits.

Every one of these is reason enough for a housewife to want a colorful kitchen phone. As a matter of fact, I'd say no home is complete without one.

THOUGHT ON TELSTAR

Recalling the millions of dollars the Bell System spent on developing and launching the highly-successful Telstar satellite, one of our engineers tells me it's a good thing the world turned out to be round.

"Just think," he says, "what a square satellite orbit would have cost!"

Call by number. It's twice as fast.

HERE'S SOUND SLEEP ADVICE FOR YOU—

"get our SPRING AIR."
"BACK SUPPORTER," MATTRESS"
with extra firmness against "Health Center"—where 70% of your weight lies

Your sleep must be sound to be beneficial—and you'll get this "sound" sleep on our "Back Supporter" Mattress with perfectly matched box spring.

Here's why: It has the extra firm support doctors recommend for relaxation. Yet its responsive surface cushions the snail of your back and prevents any strain that might cause back ache.

Let us show you our medically approved "Back Supporter" Mattress with specially woven, extra-strong ticking. 15 year guarantee.
